

02/10/2020

Dear Parent/Guardian,

### **Sport Clubs and Training Schedules**

The latest sports clubs and training timetable is attached with this letter. These are the only sports we are able to offer at the moment within the current Covid restrictions.

If you wish your son to join these clubs please click the relevant link below. There is no limit to how many your son can join, with the exception of Table Tennis Club, which has a maximum number of 24.

Students: If you sign up after the cut off, we will email your school email account to let you know. You cannot just turn up to a club, you must have filled in the form on the link below to join. This is so we can staff and plan the session appropriately.

#### **Lunchtime Hockey sessions**

In the lunch break prior to their respective year group games session, boys will have the opportunity to access the pitch and, under the supervision of Mr Cutter, work on either Penalty Corner routines in their squads or on any individual skill or technical focus area that they want to develop. These sessions are open to anyone who wishes to attend.

#### **Afterschool Hockey training**

Running from 3:50-5:15, these training sessions build on what boys will cover in their Games lessons. Players will need to bring their own gumshield & shinpads but can use one of the School's sticks if needed. Any goal keepers who wish to use school kit will need to arrange this with Mr Clark beforehand. These sessions are open to anyone who wishes to attend but you must sign up beforehand.

#### **Hockey Technical Focus Sessions**

Monday's afterschool will be for invited players to work on areas that arise from their hockey development both in and out of school and which are not able to be covered within Games sessions e.g. an aspiring Dragflicker. This will be a low intensity environment with much smaller player-to-coach ratio and players should discuss with Mr Clark if they wish to attend this session.

#### **Rugby Sessions**

Students are required to change into games/PE kit and bring a gumshield and studded boots.

#### **Table Tennis**

These sessions take place in the Space and students are not required to change into kit to join. Students can bring their own bat, but the School can also supply enough bats for the session. Please note that with the mixed year group club, they will be separated by tables.

## Hockey

- [Year 7 Hockey Training](#)
- [Year 8 & 9 Hockey Training](#)
- [Year 10 Hockey Training](#)
- [Year 11 & Seniors Hockey Training](#)

## Rugby

- [Year 7 Rugby Training](#)
