A remarkable opportunity for potential new trainees to observe some of the training programme in action and meet current trainees on the primary and secondary salaried and bursary-led routes to QTS.

Why Train with Astra?

- **Ofsted 'outstanding' in all categories** for initial teacher training (November 2018)
- **A genuine partnership** of over 50 primary and secondary schools across Bucks and Herts
- **Exceptional subject knowledge development** during the training year and beyond
- **Highly skilled and supportive mentoring**
- **97% employment and completion rates** with **over 50% of cohort** gaining 'outstanding' by the end of their training year
- Training and school placements that are **carefully tailored to meet individual needs**

Applications are now open via [UCAS.com](https://wwwucas.com)
for a **September 2019** start.
