

September 2025

Dear Parents and Carers,

World Challenge Namibia 2027 information and signup evening

I would like to invite you to join an online talk about our exciting World Challenge Namibia expedition, running in the Easter of 2027.

This is a life-changing opportunity for students to explore Namibia with expert guides, while developing their life skills, confidence, and independence. We're partnering with World Challenge to offer this 13-night trip, which complements school learning and offers students an unbelievable opportunity to continue learning outside the classroom.

Applications are already open, so please [visit our trip webpage](#) for the sign-up link, itinerary, travel dates, Covid-secure booking terms and trip cost – examples of how past students have earned this themselves will be covered in the talk.

Holly from World Challenge will host the 20-minute **Zoom presentation on Thursday 9 October at 7pm**. Please come along and ask any questions, or just listen in.

To attend, please [register for the Zoom presentation here](#).

I, personally, can attest to the benefits of these sorts of expeditions which provide students with a truly once in a lifetime opportunity to experience cultures different to what they have before, as well as pushing themselves to achieve beyond what they thought was possible.

I hope to see a number of you on the zoom call and if you have any questions or queries please don't hesitate to get in contact with me.

Kind regards,

Mr C. Mulholland
