

## **CORPORATE SPONSOR OF SPORT AT RGS HIGH WYCOMBE**

[Hawkinsport](#) are delighted to be a Corporate Sponsor of Sport at RGS High Wycombe and are extremely proud of their special partnership that has been in existence for 30 years. It is a relationship that has been built on trust and the absolute desire to provide good, efficient and personalised service.

The history of RGS and Hawkinsport goes back a long way - Hawkinsport founder [Freddie Hawkins](#) was himself a pupil, then a member of the teaching staff, before starting his own sports business, specialising in high quality sports goods and services. His passion was rugby and it was on the rugby field that he saw the importance of good strong partnerships, where trust was key when he and fellow pupil and team mate Clive Ashby enjoyed the partnership of fly half and scrum half – Clive was scrum half, to Freddie's fly half and the pair continued their success through school to High Wycombe Rugby Club and then to Wasps where they both enjoyed a long-playing career.

Hawkinsport are proud to continue their relationship with RGSHW and believe that if you have a good partner who you can trust – the rest is easy.
