

9/5/2024

Dear Parents/Guardians,

RGS Handwriting Support Programme

The RGS Handwriting Support Programme provides advice and support to students who need to improve their handwriting or have handwriting difficulties.

With the End of Year exams fast approaching, [here is a link to the Handwriting Tips and Exercises Booklet](#) that gives some helpful handwriting tips, including a video, together with some pre-writing and hand strengthening exercises and activities.

Referrals for handwriting support are made by subject teachers but please email Handwriting@rgshw.com if you have any questions or concerns.

Kind regards

Rachel Marchant
Handwriting Support Programme Lead
