

Royal Grammar School – Post-Results Services 2023 (A Level)

Please find below details of the Post-Results Services the Exam Boards are offering following the Summer 2023 examination series.

Before you decide to apply for any Post-Results Service (PRS), you are strongly advised to seek advice from the relevant Subject Leader. In particular, if you are considering a review of marking you should see where your result stands in relation to the grade boundaries for the subject overall and/or the individual papers. Remember: reviews of marking can result in marks and grades going up or down, so you should NOT apply for a review of marking if your grade is close to a lower grade boundary.

Grade-boundary information will be sent to you on Results Day. Subject Leaders or their deputies will be contactable on Results Day to advise you on reviews of marking.

After you have consulted the relevant Subject Leader(s) you will be able to request any of the PRSs detailed below. You must complete the **Post-Results Service Form** and submit it to the Examinations Office, with the appropriate payment by the relevant deadline.

FAQs for A Level Statements of Results and Post-Results Services

1. **I am unsure if I should apply for a review of marking. What should I do?**
Your result information will contain your subject grade and overall mark. First of all, check the A Level Grade Boundaries document to see how close you are to the grade boundary, then contact the Subject Leader to find out whether you should consider a review of marking.
2. **Why is it not advisable to request a review of marking in two papers of the same A Level qualification?**
One review of marking may go up and the other may go down. As a result, the overall grade might not change. Our advice is to request a priority review of marking for one unit and only then consider the possibility of a standard review of marking for the second paper.
3. **I have received my script back and I disagree with the marks given. What should I do?**
Please seek your Subject Leader's advice urgently. He or she will be able to advise on whether to proceed with a review of marking.
4. **What happens to my payment if the grade goes up or down?**
If the overall grade goes up, the money will be refunded to you.
5. **What should I do if I cannot afford any of the Post-Results Services listed above?**
Please speak to an Assistant Head.
6. **How do I apply for any PRS?**
Please fill in the Post Results Service Google form and submit it with the appropriate payment by the relevant deadline.
7. **Can I come to the Exams Office to apply for PRS?**
The Exam Office will be open until 4.30 pm on Results Day. From Friday, August 18th until Wednesday, August 30th the Exams Office will be open from 10 am – 2 pm. The Exams Office re-opens on Monday 4th September.
