

June 2019

Y12 RGS students have been invited to subject taster days at Bucks New University this July. These days will be informative, fun and hands-on and give insight into subjects you might be thinking about studying and a taste of university life.

Numbers are limited, so please register your interest as soon as possible. There is no charge for these events.

Please note the surveymonkey registration sheets can be completed by individual students. Once you have confirmation of a place, please complete the usual Leave of Absence request procedure.

Ms Sowah

**Sport – Tuesday 2nd July, 10am - 2.30pm.** We will be following the **journey of an elite athlete** with a mixture of hands-on exercises and sessions that will show your students the careers open to them in elite sport. Sessions will include

- Sports Taping in the Sports Therapy Clinic
- Biomechanics and sports testing in the Human Performance Lab
- Strength and Conditioning
- Sports Sociology – performance enhancing drugs – right or wrong?
- Sports Psychology – a hands on session in the lab

To register your interest please go to <https://www.surveymonkey.com/r/2XKMNRP>

**Policing and Criminal Investigation – Wednesday 3rd July, 10am - 2.30pm** We will be presenting a knife crime related scenario which focuses upon the arrest of a young individual and its wider implications. In a mix of presentation, discussion and scenario-based exercises we will show your students what really happens and the challenges a Police Officer meets on a daily basis.

To register your interest please go to <https://www.surveymonkey.com/r/2R6SP8R>

**Computing – Thursday 4th July, 10am - 2.30pm.** Our hands-on small group sessions will be accessing our state-of-the-art equipment that showcase the diverse careers available in this field.

- Human-Computer Interaction
- Fun with programming
- Games and Virtual Reality

To register your interest please go to <https://www.surveymonkey.co.uk/r/KRQZPMM>

**Business – Tuesday 9th July, 10am - 3pm. Dragon’s Den** – students will be working with our business lecturers to develop their unique business idea and working on their pitch to present to our Dragons. The best pitch will get the backing of the Dragons and there may be prizes.
