

10/07/2020

Dear Parent and Student,

Royal Society Summer Exhibition

The Royal Society is moving its Summer Science Exhibition online this year and has a programme of events starting with the Big Summer Science Quiz, a family friendly online quiz evening, at **6pm Monday 13th July**. There are further events throughout the week extending into the holiday. Information can be found at the link below.

Year 12 are strongly encouraged to look at the programme to see if there is anything of interest to them that would add to their personal statement.

Kind regards

James H Young
Subject Leader for Chemistry
