Dear Parents

Fundraise as you shop

As we are in the middle of Black Friday week and Christmas shopping, I just wanted to direct you to our [Fundraising page of the website](#).

Whilst you are doing your on-line shopping, please consider going into your shopping page via Easyfundraising. It only takes a couple of minutes to register “Royal Grammar School High Wycombe” as your cause but every time you shop online, you can be raising money for School.

Simply click on the icon above, register and start shopping, it is as easy as that! Once you have registered, you can Refer a Friend and earn an extra £5 donation.

Thank you so much.

Kind regards
