MAKE A DIFFERENCE WITH A CAREER IN NURSING

At Bucks New University, we can help you become a proficient, confident and compassionate nurse.

Our dedicated team of specialist lecturers will help support you throughout your programme. You will also benefit from our close links with Buckinghamshire Healthcare NHS Trust, local placements, small class sizes, and state-of-the-art simulation skills areas.

With an impressive 98% employability rate*, Bucks New University is the ideal place to start your nursing career.

Places available for BSc (Hons) Adult or Children's Nursing for this September.
