

# STEM OPPORTUNITY

## McLaren Applied Work Experience 2020 For Years 10 and 11

Location: Woking, GB

Duration: 1 week between May and August

McLaren Applied are seeking innovative and passionate individuals for our 2020 work experience programme.

McLaren Applied, part of the McLaren Technology Group, innovates using the skills, insights and experience gleaned from over 50 years of competition in the world's most technologically demanding sport, to innovate in and also beyond motorsport. With a passion for performance excellence, we bring together a distinctive combination of technology, mind-set and capabilities - including high performance design, analytics, simulation, sensing and control systems – to make innovation a reality for our partners. We partner with world leading businesses across many sectors; what unites us is a desire to prevail in whatever we do. Together we strive to be the best or to go beyond what was considered to be the limit of performance. A work experience placement with McLaren Applied will expose the student to all areas of our business. You won't believe what we get to work on.

### Our values

We Win:

Definition: We rise to every challenge and strive for success. We maximise our changes through continuous investment, development and improvement and working as a team.

We make things happen:

Definition: Anything is possible. We push boundaries and challenge each other. Others watch what we do and follow our lead. We are known to be innovators and pursue opportunities for growth.

# STEM OPPORTUNITY

We take it personally:

Definition: It's personal here. We understand how each one of us contributes to the whole picture. We are professionals who take pride in our work.

We work together:

Definition: We achieve our goals by building positive relationships; internally across our business and with our partners and customers.

We enjoy what we do:

Definition: It feels good to come to work. We recognise that we work in an extraordinary environment and we are proud of our business and our brand.

Please note that our applications will be open to students in Year 10 and 11 and our **applications close on 3 March 2020.**
