Dear Parents,

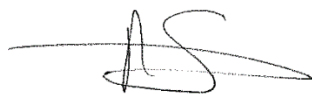

Are you aware that we offer day boarding provision at RGS? Day Boarding in Fraser Youens House is a fantastic option for additional wrap-around care. It gives your son a chance to be part of the outstanding Boarding House community, whilst still living and sleeping at home.

Day Boarding fees are £1,600 per term (£4,801 per annum). Included in this cost are all meals eaten in the Boarding House dining room, which is stand alone and caters for a significantly lower number than the main school canteen. This includes breakfast, lunch and dinner as well as all snacks and drinks. Furthermore, boys can arrive at the Boarding House from 7.30am onwards and be collected anytime from the end of the school day - 3.40pm until 9.00pm. During this time, they will have a dedicated homework session with a member of staff in a designated study/computer room and take part in an organised activity. These currently include swimming, dodgeball, football, table tennis, board games, darts and cooking amongst others.

Day Boarders are each assigned a personal boarding tutor, who assists with academic work and pastoral care and advice over the course of the year. Your son will also have access to our academic mentoring system which provides one to one support in subjects they may be struggling with. Day Boarders each have their own locker, dedicated changing facilities, and access to a shared common room with TV, DVD player, pool table and kitchen facility.

We are able to offer the opportunity for your son to join Fraser Youens Boarding House as a Day Boarder from April (Summer Term). If you are interested and would like to arrange a tour of the House and/or you have any further questions about our Day Boarding provision, please do not hesitate to contact me or the Head of Boarding, Jon Scourfield. Information on Boarding can also be found on the school website: www.rgshw.com.

Yours sincerely
