Eye and Vision Science:

Taster Day - London Campus

26th June 2019

Spend the day with us and discover what it is really like to study a health science course at one of the **UK's leading universities**. You'll have the chance to gain **hands on experience** - learning techniques used by Orthoptists, experience a university style **taster lecture**, and learn how to write a strong **personal statement**. The day will include key sessions by academics from the Orthoptics programme.

This day is designed for Year 12 students studying at least one of the following subjects at A-Level: Biology, Chemistry, Physics, Psychology or Maths. Students studying BTEC Health and Social Care or Applied Science are also encouraged to attend.

Session One:

09.15-09.30am	—	Welcome
09.30-10.15am	—	A career in eye and vision science?
10.15-10.30am	—	Break
10.30-11.30am	—	Binocular vision testing/ The eye in virtual reality
11.30-12.30pm	—	Can you beat double vision?
12.30-13.15pm	—	Health Sciences Personal Statement Workshop

Session Two:

13.00-13.15pm	—	Welcome
13.15-14.00pm	—	A career in eye and vision science?
14.00-14.15pm	—	Break
14.15-15.15pm	—	Binocular vision testing/ The eye in virtual reality
15.15-16.15pm	—	Can you beat double vision?
16.15-17.00pm	—	Health Sciences Personal Statement Workshop

Spaces are limited so book early to avoid disappointment. To find out more and register visit:
