

27/4/26

Dear Parents and Carers,

YEAR 11 STUDY LEAVE FOR PUBLIC EXAMS - MAY/JUNE 2026

Please be aware of the following dates for Yr 11 students.

- Fri 1st May Last teaching day. **Study leave begins at 1530.**
- Mon 4th May Bank Holiday
- Thu 7th May - Wed 24th June Public exams (includes the designated contingency days)
- Wed 24th June End of Exam Period

Many students may wish to see their teachers during study leave so that they can receive clarification about material they have revised. Up to half term Year 11 teachers will therefore be available in their classrooms or department areas at their usual teaching times for individual or group support. After half term, revision sessions may be arranged within departments. We encourage all students to seek this support if they need it.

Please note:

- **Whenever on school premises during the exam period students should be in full school uniform.**
- Students will not be able to use the Library for revision as this area is used by other classes.
- Any student wishing to do private study in school up to May half term or after the Y7-10 school exam period should go to the classroom they would have been having a lesson in at that time.
- During School Exam Week immediately after half term private study areas will be extremely limited as there will be no access to any areas where internal school exams are being held.
- All school rules apply when students are in school. **This includes no use of mobile phones 0840-1530.**

Year 11 will shortly be invited to a Sixth Form Taster Day on Thursday 25th June.

I wish your son every success in his exams.

Yours sincerely

Tim Fossey
Assistant Head
