

9th July 2020

Dear Parents and Students,

Sports Day / End of Term / Teams information

I just wanted to remind you of three points:

- **Lessons will finish at the end of Tuesday 14 July for all year groups.** Year 7 - 9 will attend their sport/social session at their allotted time over the following three days. Key worker provision will be provided until the end of term, 1pm Friday 17 July.
- Good luck in Sports Day. Please **remember that Periods 7 and 8 will run as usual.**
- All Teams will be visible until the start of the new academic year, and even then will be available through the obvious archive button on the Team homepage (released this summer).

Many thanks for your continued support
