

Dear Parents / Guardians,

RGS Wellbeing Week 2019: 4th – 8th March

This year we will be running a series of events to inspire and educate our students about the importance of recognising their own wellbeing. These events will span the first full week in March and we have guest speakers for assembly, plus exciting seminars and activities during lunch time. Some will be informative, whilst others are designed to be fun and will offer an opportunity to try something new. We will encourage all boys to engage with at least one activity or talk.

The week will culminate in an awareness-raising mufti day, and your son will be asked for £1 to participate. The funds raised will be divided between Mind Charity and an RGS Wellbeing Fund, which supports our ongoing commitment to providing an infrastructure to nourish positive mental health and habits at RGS. Donations greater than £1 are very welcome. Please contact finance@rgshw.com for more information about how to support this.

Below is a summary of the events we have planned. The talks are free to all and we welcome any and all boys on the day. Locations of events will be broadcast nearer the time. Some of the activities suggest a small donation to cover costs and have limited numbers – please sign up on ParentPay for convenience. Boys will not be excluded if they are unable to donate the suggested amount.
