Dear Y12 Students and Parents

OXBRIDGE/MEDICAL/OTHER APPLICATIONS REQUIRING AN ENTRANCE TEST FOR ENTRY IN 2020 OR DEFERRED ENTRY 2021

Ms Sowah has advised you that the test date for University Admissions Tests is **Wednesday 30 October** at 0900. Please note that this date is in fact **in the middle of half term** and we have no ability to change this as it is not set by us.

If you are applying for a course/university that requires an entrance test, you must be available to come into school to do the test on this date.

Kind regards

Miss Munday
Assistant Head
