

06/11/2025

Dear Year 11 Students and Parents / Carers for information

Mock Examination Timetable

Please find attached the general [Mock Exam Timetable for December - January 2026](#).

Your specific, individual exams timetable, will be accessible to you on the Student and Parent Portal closer to the date of the examination dates. The personalised timetable will include timings, location and any specialist provision.

Study Leave

Year 11 students have study leave from **Monday 5th – Wednesday 21st January 2026**.

If you come into school to revise, you must register that you are here via the Student Hub. Please go to your normal timetabled room (excluding Science/specialist rooms unless there is a teacher in there) to do your revision.

Important note for parents

Please be aware that study leave will have an impact on attendance records for the Spring term. We are only able to record a student's attendance if they are physically present in school. Days when students are not in school will be recorded as an authorised absence for mock exam study leave.

Kind regards

Tim Fossey
Assistant Head
