Dear Sixth Form and Year 11 Students (and Parents for information)

We have once again been offered a free year's subscription to the online Financial Times (www.ft.com) which I have taken up for you.

IP access has now been granted for the Royal Grammar School and all students will be able to access Standard FT content within the remit of the IP address provided (registration must be done with your school email address and whilst you are at school). Click [here](#) to start the sign-up process.

As it says on the website, free access to FT.com can help students with relevant and fresh ideas for essays, exams, extra-curricular activities and in interviews. Universities and employers confirm that broader general knowledge helps the best candidates stand out.

I warmly recommend it to you.

Miss Munday
