Welcome to your Bronze DofE

Congratulations, you've made a great decision to start your DofE – a life-changing adventure you don't want to miss.

Choose from hundreds of activities that may be offered in your local area – from canoeing to gymnastics, DJing to helping out at your local youth club – to achieve your Bronze Award. You'll pick up memories, friendships and skills that'll stay with you forever.

And the added bonus – having a DofE Award can really give you the edge when applying for college, uni and jobs.

Ready to get started? Launch our short welcome film by opening Snapchat on your smartphone and scanning this Snapcode – or view the film at DofE.org/Bronzewelcome.

Manage your DofE programme via eDofE.org or, if you've got a smartphone, **download the DofE app** to record your progress on the go (search 'DofE').

Sections and timescales

For your Bronze programme there are four sections to complete:

Volunteering

This is all about getting out there and making a difference by helping others, the environment or your local community. Perhaps you're interested in animals, helping older people or raising money for a local charity.

Physical

This is a chance to focus on your health and fitness and have fun along the way. Play football, start climbing or have dance classes, it can be with a team or on your own. Set your own challenge and be the best you can be.

Skills

Discover something that you're really good at. Maybe you can get better at something you already do, like playing a musical instrument, or learn something new like designing a website or cooking. The sky's the limit when it comes to skills.

Expedition

As part of a small team, you'll have an unforgettable experience getting to grips with the great outdoors. You'll improve your communication and leadership skills and take a rucksack of memories home with you.

You need to do an activity for each of the sections, over a set amount of time, to achieve your Award:

Plus a further 3 months in either the Volunteering, Physical or Skills section.

Your activities

Create your own programme of activities with the help of your DofE Leader. Choose one activity for each section. Maybe you want to try something new? Or get better at something you already do? Find out what's available near you.

It's a good idea to choose activities you'll enjoy – it'll make them easier to stick at and you'll get more out of the experience.

For inspiration, use the **activity selector on the DofE app** or take a look at our **ideas lists: DofE.org/do/activities**.
