Dear Parents/Carers,

Subject: Y12 School Trip to F1 Silverstone - Careers Showcase- Follow up

I hope you are well. It was wonderful to meet so many of you at the Y12 Welcome Evening on Wednesday.

Given some of the questions parents had about the F1 Silverstone Careers Showcase trip, I thought it would be useful to explain:

- The trip is not just for students interested in automotive engineering.
- Students will have the opportunity to meet relevant industry representatives from across many areas of the sector e.g. Formula 1; Business Management; Logistics; Manufacturing; Engineering; Finance; Technology; Further & Higher Education; among others.
- There is a growing list of contributors already confirmed. So far these include (but are not limited to): **Microsoft; Mercedes; DHL; Heritage Skills Academy; Automotive Youth; Alpine;**
- They will also have the opportunity to explore the interactive activities at the museum and engage with key professionals, understanding how they followed their chosen career paths.

I hope this information helps your child decide whether they wish to sign up for the event. Please note that we have a limited number of seats available so if they are interested, please see the full details in my [previous letter](#) and book their place.

Yours sincerely,

Mrs Sweta Thakrar,

Director of Careers
