Dear Students, Parents and Carers

Belonging through Cooking - RGS Cookery cards

We are delighted to inform you that this year as part of our aim to develop a better understanding of Belonging, we would like the RGS community (students, parents, carers and staff) to come together and share recipes that make you feel you belong.

We all have our favourite dishes and recipes and some may even have been passed down in the family. It would be great to collate our favourite comfort foods, share why they are important for us and create RGS Cookery cards which will be available in the form of recipe cards and shared regularly via Comms.

We would be grateful if you could send your favourite recipe by completing the form [HERE](#). Our Student and Staff Belonging Committees will create recipe cards using the information you provide.

I am sure you will agree that such a joint venture will certainly develop a greater sense of belonging and appreciation in our students and community.

Yours sincerely,

Shradha Tan
