

OPTI ENERGY

A cost-effective, energy-saving product pack

YOUNG ENTERPRISE

We are a group of year 12 entrepreneurs operating within the Young Enterprise scheme. Young Enterprise is a national charity which provides a platform to enter the world of business.

HELPING YOU TO SAVE ON YOUR ENERGY BILLS

The UK is in the most severe energy crisis encountered for decades and energy bills have increased dramatically.

Our company's vision is to help you to reduce your energy bills at this most critical time. After conducting our own research, we have identified the most cost-effective energy saving products, readily available at affordable prices to all our customers.

We are proud to announce the ***Opti Energy Saving Kit***.

Compact, energy efficient and easy-to-use products to reduce energy usage in the household. Helping to cut the cost of your bills. (Estimated to reduced bills by approximately £250 per year)

OPTI ENERGY SAVING KIT

Each kit contains the following products to help you save valuable £s on your energy bills:

- 1 X radiator foil (5m)
- 2 X rolls of draught excluder
- 2 X tumble dryer balls
- 2 X cistern bags
