Dear Parent/Carer,

Cyber Security training presentations

Thames Valley Cyber Protect team are inviting parents and carers to join engaging and informative Cyber Security training presentations. These sessions will share easy-to-implement tips for parents/carers regarding their and their family's online behaviours and internet-enabled device usage.

This session covers key topics, including:

1. **Emails and mobile phones:** The art of spotting a scam – lots of hints and tips to share with your children around phishing and other scams
2. **Social media safety:** The risks around social engineering, disinformation, AI, privacy and hacked accounts
3. **Gaming:** Understand what the risks are to young people when gaming, particularly online, and discover ways to monitor and restrict usage
4. **Password mastery and Two-Factor Authentication (2FA):** Helping you and your family to secure your accounts following best practice.

The link to sign up for one of the sessions can be found below:
