

2 May 2023

Dear Students (and Parents for information)

We are a Young Enterprise company with one goal - boosting Maths grades. Exams, both public and school, are on the horizon, getting closer and closer as you read this. It is crucial to invest wisely in your education before it is too late, and that can be done by choosing us, Greenleaf Tutoring.

Please look at our website (www.greenleaftutoring.com). A QR code is attached beneath. There you will find a state-of-the-art GCSE Maths course. We have a broad selection of tutors from different backgrounds with a diverse range of goals and interests, but one thing unites them, and that is academic excellence. These same people have worked tirelessly to produce exceptional revision material to help you revise for upcoming Maths exams.

We go through every topic covering all prominent exam board specifications in detail and complexity. Our material is concise, visually informative and has been broken down and organized neatly by topic, meaning you can handpick which area of Maths you are trying to improve on. We are 100% online, so you can revise and use our resources from anywhere at any time without the need for carrying dozens of books or having the burden of weekly tutoring sessions. Instead, our fully flexible livestream schedule has you sorted with any questions or concerns you may have.

An internet connection and a few wise clicks are all you need to reach your full potential and get the top grade you are looking for and deserve. Make the right decision now, and in a few months, you will be exiting your exam hall with confidence and pride.

Thank you,

Greenleaf Tutoring (A Young Enterprise company)
