

3 June 2019

Dear Parents

**Parent Voice June 28, 2019
1430-1530**

I write to ask if you might assist us in a Parent Voice session. Parent Voice is an invaluable tool in helping us to shape strategy, and we greatly appreciate your support.

On this occasion we are looking at:

1. The parental view of the RGSHW, our reputation in the community
2. Our parents' evening system - is it as effective as it can and should be?

This session is on Friday 28th June at 1430 and will last for approximately 1 hour.

Thank you for your time in considering this request. Please let me know by return if you can help. I am hoping for a group of 20 parents if possible.

With kindest regards

Marieke Forster
