Dear Parents/Guardians

RGS Instrumental Lessons - Year 7 Brass Project

All Year 7 Students have now had the opportunity to take part in the 'RGS Brass Project' which has been taking place during music lessons.

The RGS has a longstanding history of superb extracurricular music provision and we encourage students to make use of every opportunity given to them. The benefits of learning a musical instrument and playing in ensembles are numerous. It can have a profound impact on cognitive development, boosting academic performance in areas such as maths and comprehension. Furthermore, it enhances creativity, self-expression, emotional intelligence, as well as boosting mental wellbeing. We are proud to offer tuition and ensembles for every instrument.

If any students are interested in taking up a brass instrument, or any other instrument - on an individual, private basis - please complete the form below or contact the Music Department for further information.

If your son is in receipt of Pupil Premium, please be reminded that instrumental tuition will be funded up to 50 % of cost. If you wish to discuss this option further please contact Mr Sheehan, gds@rgshw.com.

Yours faithfully

Mrs N A Jashari
Director of Music
