

08/10/2018

Dear Parents,

### Academic & Co-curricular visits 2018-19

As you are aware, throughout every academic year RGS runs a fantastic range of academic and co-curricular visits which play an important part in your son's education and personal development. To help you with your budgeting and planning, I have attached a document with all the regular trips run for each year group.

Please be aware that the cost quoted for the trip is just an approximation as it has been taken from the previous trip and will be subject to change. However, I am sure you will still find this a very helpful document.

Financial support, particularly for trips considered to be an essential part of the normal curriculum, may be available. Enquiries, which will be handled in the strictest confidence, should be directed to the Headmaster via the trip organiser. Please note that the School cannot be held liable for the refund of any payments made, in good faith, to travel companies on your behalf.

If you require any further information in the meantime, please do not hesitate to contact the trip organiser or me.

Yours faithfully,

Clive Greenhough  
Director of Co-Curricular Activities
