

# Seasoned Split logs for sale

The RGSHW log project has been part of the ecology for the school and the policy of the Estates Team, for every tree cut down a tree will be planted. To help with the cost of this work and try to raise some much-needed funds for trees and equipment, any timber that is suitable for burning will be cut and split by the Grounds Dept. team and seasoned ready for sale. All the logs have come from trees that have been felled for health and safety and maintenance reasons on the school site.

If you would like to grab yourself some seasoned split logs, please contact me directly [hmy@rgshw.com](mailto:hmy@rgshw.com) or via the Finance dept. [RGS Finance](#)

Prices are as follows:

Half size bulk bags (will fit in any an average size car boot) £45.

All payments to be made via parent pay on the school's website or in the finance office in person. All money raised will go into the Grounds Dept. Budget for landscaping projects.

Thank you.

Howard Yendall Head Groundskeeper
