### Upcoming events:

**YEAR 7 & 8 DISCO** This popular event returns on 10<sup>th</sup> March. Tickets are now available to buy via ParentPay. The boys from RGS can socialise with girls from Wycombe High, Beaconsfield High, Pipers Corner and other local schools. There will be a tuck shop and, following the popularity at the last disco, the photobooth will be back.

**THEATRE TRIPS** Tickets for Hairspray are on sale via ParentPay until 31<sup>st</sup> March. This irresistible feel-good show is the perfect night out for all the family - let your hair down and book now!

Please note that tickets for theatre shows are handed out on the night at the Theatre.

**SCIENCE SHOW** Last year's "Can you believe your brain?" show was very well received and was a great evening's entertainment. We will be holding another science show this April. Look out for more details in the school In Touch emails in the next few weeks.

**Monthly prize draw** Please consider joining the prize draw. The first prize is approximately £50 each month, and the odds are much better than the lottery! You can now sign up via ParentPay. Full details can be found here:

Thanks to those of you that came along to any of our events in the first half of the Spring Term term. So far, this calendar year we have organised trips to the theatre to see Flashdance and Crazy for You, held the RGS' Got Talent event and hosted a West African Drumming workshop.

Your support will help us raise vital funds for this year's project: the refurbishment of the Drama Studio. This will ensure the boys have the best possible learning environment for the modern world. Drama allows students to communicate with and understand others in new ways. It is an important tool for preparing students to live and work in a world that is increasingly team-orientated rather than hierarchical, and it helps students develop tolerance and empathy. The Drama Studio is also used for play rehearsals, examinations and lectures as well as being a location that is hired out to local clubs to raise additional funds for the School. The refurbishment will attract new hirers and increase the School's potential income.
