

Pupil Premium strategy statement for 2020-21 and review of strategy in 2019-20

1. Summary Information						
School	The Royal Gra	ammar School High Wycombe	PP contact	James Eve – jne@rgshw.com		
Academic Year	2020-21	Total PP budget	£48,580	Date of most recent PP review	Oct 2020	
Total number of pupils	1432	Number of pupils eligible for PP	61	Date for next internal review of this	Mar 2021	
				strategy		

2. Attainment at GCSE 2019-20					
Measure	RGS pupils 2019-20*	National Average non-PP 2019-20			
Progress 8 PP pupils	+0.72	Not available through DfE			
Progress 8 Non-PP pupils	+1.22	Not available tillough ble			
% PP pupils achieving grade 5 or above in English and Maths	100%	Not available through DfE			
% non-PP pupils achieving grade 5 or above in English and Maths	100%	Not available tillough ble			
% PP pupils achieving the Ebacc at grade 5 or above	92%	Not available through DfE			
% non-PP pupils achieving the Ebacc at grade 5 or above	93%	Not available tillough ble			

^{*}Progress 8 scores calculated in Oct 2020, using 4Matrix. Due to Centre Assessed Grades in Summer 2020, there are no official DfE Progress 8 scores for 2019-20.

Due to CAGs, the DfE did not generate 'official' Progress 8 scores for Year 11 students following the release of GCSE results in August 2020. Unofficial data generated post-results using the 4Matrix data management system, however, suggested that there was a Progress 8 gap between the 12 Pupil Premium students and non-disadvantaged students in the GCSE cohort of 2019-20. Both groups, however, are likely to have achieved Progress 8 scores that placed them well above the national average (last year this was measured at -0.02).

Results generated through CAGs were significantly stronger than results in previous years when public exams had taken place. It is no surprise, therefore, that the Ebacc results (% of PP pupils and non-PP pupils achieving the Ebacc at grade 5 or above) were higher than in 2018-19.

3. Barr	riers to Attainment						
Α.	During lockdowns, some PP students are at risk of lacking some of the resources requir	ed to engage with remote learning, such as reliable					
	wi-fi or iPads/laptops						
В.	PP students in KS3 perform less well than non-PP students in the core subjects of English	PP students in KS3 perform less well than non-PP students in the core subjects of English and Maths, giving them a less secure base from which to be successful across the curriculum and at GCSE.					
	which to be successful across the curriculum and at GCSE.						
C.	Due to financial constraints, PP students tend to have fewer opportunities to engage with the variety of extra-curricular activities and						
	trips offered by the School. This can have a knock-on effect in terms of engagement with the School and self-confidence issues.						
D.	Some PP students require additional support in understanding learning styles, study and revision techniques. This becomes particularly						
	notable at GCSE.						
E.	Some PP students come from families with limited experience of post-16 education or	of the correct choices to make at A level to ensure					
_	they are able to access the university courses and careers they aspire to.	6.600					
F.	Some PP students need additional social and emotional well-being support to help then	m fulfil their academic potential and be happy in

5. Planned expend	iture				
Academic year	2020-21				
i. Quality of teach	ning for all				
Desired outcome	Chosen action/approach	What is the evidence and rationale for this choice?	How will you ensure that it is implemented well?	Staff lead	When will you review its implementation?
PP students' attainment in English and Maths at KS3 is the same or better than non-PP students in those year-groups.	Development of the role of the Literacy Co-ordinator to identify and support boys in KS3 with weak literacy skills. Expansion of role from Year 7 to Years 7-9.	Relatively weak literacy is more common among Pupil Premium boys than in yeargroups as a whole, and hinders their progress in a range of subjects.	Regular meetings with the LitCo and Subject Leader for English to ensure the programme is progressing; regular communication between the LitCo and teachers to ensure the correct boys have been identified; use of GL Assessment literacy tests to identify precise areas of weakness; use of progress data to evaluate effectiveness of support.	DGC	March 2021 and July 2021
	Use of the Accelerated Reading, MyMaths and SAM Learning programmes currently used by the English and Maths departments to identify boys with low reading ages and weak mathematical skills. Offer of 1:1 and/or small-	We want all students to be able to access the curriculum and become secure in their learning. Low reading ages and weak mathematical skills affect the progress and engagement of some students. Data from progress grades as	Work closely with the Maths and English departments to monitor progress in literacy and numeracy. Boys will be offered tuition	JNE	Jan 2021
	group tuition – including a	well as feedback from boys	on the basis of progress	JIVL	3011 2021

	repeat of the summer catch- up tuitions that was so successful in July 2020. External tutors or Sixth Form mentors to intervene with students at risk of under- achieving. More rigorous and consistent use of data (including the use of 4Matrix to calculate provisional P8 scores for boys at KS3 – carried over from 2019-20 – and also use of Form Tutor Monitoring sheets to identify boys falling behind and to track progress. Data from progress grades now includes specific information on attainment in English and Maths, allowing Heads of Year to easily identify boys who are falling behind in these key areas.	and parents has suggested that 1:1 and small-group tutoring has been an effective strategy in raising attainment. Progress data gives us an early indication of which boys are likely to struggle at KS3, and also allows teachers, tutors and Heads of Year to accurately track their progress. The use of 4Matrix at KS3 (so far it has only been used at KS4) will also us to monitor progress and identify concerns more effectively in Years 7-9.	grades and teacher recommendation. Careful recruitment of tutors, followed by monitoring of effectiveness by student voice feedback and assessment grades. Regular provision of assessment data to tutors and Heads of Year, including the new Form Tutor Monitoring sheets. Setting up a shared 'data space' on Sharepoint will also allow HoYs permanent access to current and historic data. Work with Subject Leaders data group to find a way to use 4Matrix to convert our current KS3 attainment data into workable P8 scores.	JNE	Jan 2021

iii. Other approac	ches				

Desired outcome	Chosen action/approach	What is the evidence and rationale for this choice?	How will you ensure it is implemented well?	Staff lead	When will you review its implementation?
PP students will be more involved in the wider life of the School and will take part in the same broad range of trips and activities as their non-PP peers.	Financial support and encouragement for PP boys to take part in clubs, activities, trips and music lessons. Improve communication with the parents of PP boys by providing better information about PP funding on our website. Produce a leaflet for parents of PP boys that outlines the opportunities provided by the PP fund. Also circulate a questionnaire to the parents of PP boys to find out how their experience of the school differs from non-PP boys.	RGS runs a wide range of extra-curricular clubs, activities and trips. The challenging financial circumstances faced by many PP students means they are unable to make the most of these opportunities. Aside from broadening the life experiences of those who take part, involvement in the wider life of the school is beneficial in terms of improved self-confidence, sociability, resilience, and academic attainment.	Ensure that all staff are familiar with the list of PP boys in their classes and departments. Update existing PP booklet so that all staff are aware of how PP funds can be spent to ensure the involvement of PP boys.	JNE	Jan 2021
PP students will have access to good educational and Careers advice in order to determine their pathways after GCSE.	Continue to work alongside the school Careers office to finance and organise visits from Connexions Careers advisors. PP students will be given first priority in booking appointments with the external advisors.	Some PP students do not come from families where there is much experience of higher education or careers advice. Independent advice from expert advisors will be invaluable in directing them in their A level choices.	Continue to work with LXS to set up Careers advisors visit and then help identify boys who would most benefit from appointments.	SVA	Feb 2021
Identify PP students who need social and emotional support and work with the school's pastoral	Liaise with pastoral team to offer financial assistance to assist them in supporting our most vulnerable PP boys. In 2019-20 this will include	Some PP pupils have home lives that make it difficult for them to achieve their academic potential. The School has the resources to	Regular communication with the pastoral team to identify boys who would benefit from support, and effective advertising of Homework	JNE	Feb 2021

team to ensure they receive appropriate intervention and help.	investment in the CPOMS system to help maintain pastoral/safeguarding records. Also: encourage PP boys to take advantage of the quiet working space in after-	help here as well as offering an environment that supports good academic progress.	Club plus checking of registers against list of PP boys who most need a quiet space.		
PP have all the kit and equipment they need to learn and participate in the curriculum (includes Y8 iPads scheme, uniform, sports kit etc)	school Homework club. All staff make sure that students have the necessary equipment and request to provide this if necessary.	Students from households with little surplus income often struggle to provide items that are taken for granted by non-PP students. This can not only have a direct impact on their learning, but also serve to increase disengagement.	Work closely with all staff to identify students in need. Ensure that parents of PP students are aware of how to access financial help.	JNE	Jan 2021
Free School breakfasts in the canteen for boys eligible for FSMs.	The school will offer a free breakfast each day to any boy currently eligible for FSMs due to financial constraints.	Regular and healthy eating is vital in maintaining focus and engagement in lessons.	Offers made directly to parents of PP students. Follow-up those who do not respond.	JNE	Jan 2021
Total budgeted cost					21000

6. Review of Expenditure	6. Review of Expenditure					
Academic year	2019-20					
i. Quality of teaching for a	ill					
Desired outcome	Chosen action/approach	Estimated impact? Did you meet the success criteria? Include impact on pupils not eligible for PP, if appropriate.	Lessons learned	Cost		
PP students' attainment in English and Maths at KS3 is the same or better than non-PP students in those year-groups	Development of role of Literacy Co-ordinator to identify and support boys in KS3 with weak literacy skills.	LitCo took up his post during the 2018-19 academic year and started providing additional tuition to selected Year 7 boys shortly before the end of the Easter term. This has been ongoing during 2019-20 with closer monitoring of the boys and more regular contact with class teachers to check on progress.	So far, the LitCo's work has focused exclusively on Year 7 boys. In 2020-21 he will aim to expand the programme to include boys in Year 8 and Year 9.	2500		
	Use of the Accelerated Reading, MyMaths and SAM Learning programmes currently used by the English and Maths departments to identify boys with low reading ages and weak mathematical skills.	Data suggests a good impact from the Accelerated Reading programme. A large number of our boys, both PP and non-PP, have used the MyMaths and SAM Learning programmes – sometimes as part of a teacherset homework, sometimes independently. These platforms	Despite the offer of training sessions for staff, usage of SAM Learning is still uneven across the school, with some departments and individual teachers using it regularly, while others do not use it at all. We need to look at ways of	7000		

		have been especially useful following the first lockdown in March 2020 as a way of encouraging the boys to work independently and extend themselves.	promoting SAM Learning among our staff.	
tuitio catch 2020 Form	r of 1:1 and/or small-group on — including the summer n-up programme in July 1 - external tutors or Sixth n mentors to intervene students at risk of under- eving.	The impact of these interventions has been good. This has been reflected in improved progress grades and also positive feedback from students and parents. The summer catch-up programme for pupils in Years 7-10 was held in the first week and a half after the end of the summer term. Staffed by RGS teachers and paid for with Pupil Premium funds, this involved more than 60 boys in total, including a number of Pupil Premium pupils. Feedback from this initiative was very positive. Boys and parents saw it as a chance not only to catch up on lost learning, but also to get back into school and study routines in preparation for 2020-21.	These are strategies we would like to offer to more boys in 2020-21. Continued monitoring of the progress grades of PP boys by staff will allow us to put intervention in place.	6000
(inclu	e rigorous use of data uding the use of 4Matrix to llate provisional P8 scores oys at KS3) to identify boys	Repeated lockdowns in 2020- 21 meant that some of the planned experimentation with data did not take place. P8	Exploration of the viability of using P8 scores for KS3 pupils will be an area to work on in 2020-21.	2500

	progress. Data from progress grades now includes specific information on attainment in English and Maths, allowing Heads of Year to easily identify boys who are falling behind in these key areas.	KS3 boys. Progress continued to be monitored for these year-groups using CAT data as a baseline.		
ii. Targeted support				
Desired outcome	Chosen action/approach	Estimated impact? Did you meet the success criteria? Include impact on pupils not eligible for PP, if appropriate.	Lessons learned	Cost
The current attainment gap in Progress 8 scores at GCSE between PP students and non-PP students will be narrowed or closed completely.	Encourage all PP students to improve their preparation for GCSEs by attending Easter Revision Courses.	Unfortunately, the Easter Revision Course was cancelled due to Covid. This has been a good and popular strategy in the past, though, and we will continue to pursue it in the future with all Year 11 PP boys.	Continue to push the Easter Revision Courses with PP boys and their parents.	3500
	Support PP students' learning by providing revision texts, study guides and other appropriate material to support them at KS4 and in the run-in to the GCSEs.	This was the third time this initiative had been rolled out with the PP boys. Again, engagement with the scheme was solid, with PP boys receiving full sets of revision guides ahead of the lockdown in March 2020.	This is a successful strategy that allows boys to be more independent in their learning and revision, and helps to put them on a more equal footing with their non-PP peers. Some boys didn't take advantage of the offer because they had already bought guides. We need to offer the guides earlier during the GCSE course.	500
PP students will gain a secure knowledge of study techniques and how to revise that will prepare	Arrange for Elevate Education to come into school to deliver workshops and seminars on study skills to Year 11. By doing	Pupil and parent feedback from the workshop suggests that they are very useful in	Continue to invite Elevate Education into the school to deliver workshops and seminars to our Year 11s.	3000

them more effectively for success at KS3 and GCSE.	this, we aim to improve PP students' understanding of their own learning styles and the most effective revision techniques.	preparing our Year 11s for the GCSE exams.						
iii. Other approaches								
Desired outcome	Chosen action/approach	Estimated impact? Did you meet the success criteria? Include impact on pupils not eligible for PP, if appropriate.	Lessons learned	Cost				
PP students will be more involved in the wider life of the School and will take part in the same broad range of trips and activities as their non-PP peers.	Financial support and encouragement for PP boys to take part in clubs, activities, trips and music lessons. Produce a leaflet for parents of PP boys that outlines the opportunities provided by the PP fund. Also circulate a questionnaire to the parents of PP boys to find out how their experience of the school differs from non-PP boys.	Though hard to quantify in terms of raising attainment, the feedback from boys, parents and staff about the effects of extra-curricular involvement on our PP boys are overwhelmingly positive. Almost every boy on our PP list has benefitted in some way from money spent on trips, clubs and activities. Boys have learnt musical instruments, taken part in the Duke of Edinburgh's award scheme, been given financial assistance to travel to Argentina, France, Sicily and Morocco.	We will continue to spend a significant portion of our PP budget in this way. Some PP parents are not aware of the full range of activities that are funded by the PP budget. To address this, we plan to put together a new leaflet for parents, detailing the opportunities available through PP funds.	12000				
PP students will have access to good educational and Careers advice in order to determine their pathways after GCSE.	Work alongside school Careers office to finance and organise visits from Connexions Careers advisors. PP students will be given first priority in booking appointments with the external advisors.	This year, the Careers Office were highly efficient in giving Pupil Premium boys priority in booking interviews with professional careers advisors. The results was that all 12 of our Year 11 PP boys had a one-to-one appointment with an	Continue to work with the Careers Office to ensure that Pupil Premium boys get priority in booking appointments with advisors.	2500
