ACTIVITIES**

2025-2026

Please see the named person in charge for further details

ART CLUB (GCSE)

Tutor i/c: Mrs G Francis

Open to Year 11 Fine Art and Graphics pupils. This teacher-led session helps support the current GCSE course. The additional time enables the students to take a rigorous and explorative approach to their sustained body of work. Held on Wednesday lunchtimes, in Art 1, 2 and 3.

ART CLUB (Junior)

Tutor i/c: Mrs G Francis

Open to Years 7–9, the Art Masterclass is designed to offer students an opportunity to learn from our Subject Ambassadors. Students can opt to develop new skills and techniques, such as oil painting, or improve existing skills in drawing, painting, or digital art. The Art Subject Ambassadors will support, encourage and advise how to get better, helping students grow in confidence in their artistic ability. Held on Monday lunchtimes, in Art 2.

ART CLUB YEARS 7-9

Tutor i/c: Mrs G Francis

This club is a self-directed club. If you love creating your own art and simply have no space or opportunity to do so, come along to Art 2 on Thursday lunchtimes, to relax and create. The art equipment will be at your disposal. You can also use this opportunity to complete your art homework, if it is easier to do this at school than at home.

BOARD GAMES CLUB

Tutor i/c: Mrs H Payne (Librarian)

Screen Free lunchtime in the Library with board games. Everything from chess to Uno! All games provided or bring your own. For all year groups. Limited numbers. Wednesday lunchtimes.

BOOK CLUB

Tutor i/c: Mrs H Payne (Librarian)

Open to all year groups, we will read and discuss all types of books that are available in the library – including non-fiction and specific genres such as horror, science-fiction and manga. We will be also shadowing the book awards such as the Carnegie Awards, the Booker Prize and the Waterstones YA Book Prize. A friendly informal club run by the librarian and the library Ambassadors, this is for both keen and reluctant readers – join up to get involved and become a RGS reading champion! Thursday first break in the library.

CCF ARMY, RAF

Tutor i/c: Wg Cdr Matthews

Open to Year 9 in the summer term only and Year 10 and above in TAA all year. The CCF provides activities to promote the qualities of leadership, responsibility, self-reliance, resourcefulness, endurance and perseverance. Activities include range shooting, field exercises, military knowledge, navigation, climbing and flying. The CCF parades on Thursday afternoons, activities take place after school and on weekends. There is an

annual charge for membership, students who sign up are required to stay for a full year at a time.

CHESS CLUB

Tutor i/c: Mr H David

Members of last year's Chess Club can meet again, as before, Lunch 2, in Room 9, on Wednesday lunchtimes. New members from any year are welcome – we have experienced players willing to help you learn. This year, we aim to put together a competitive team and start entering local and national competitions. Please speak to Mr David for more information.

CHRISTIAN UNION CLUB (CU) (All Year groups)

Tutor i/c: Mr S Booth

Snacks, games, new friends and learn more about Jesus and the Word. Any questions? Contact Mr Booth (sjb@rgshw.com). Tuesdays at 1.30pm in L9.

DART KARATE

Tutor i/c: Dr J Titchen

DART is a practical karate system focused on self-defence. It is known for its legal underpinning, close-range tactics and pressure testing scenario training. DART Karate classes have a strong emphasis on fun impact training, paired exercises, underpinning theory and good biomechanics. RGS classes have been held in the Sports Hall on Wednesdays after school since 2004. Classes are open to all year groups with beginners always welcome. Instructor John Titchen teaches locally in addition to delivering karate and self protection seminars throughout the UK, Canada, the USA and Europe. **Please note this activity is run by an external company – for all enquiries, please visit www.dart-selfdefence.com**

DUKE OF EDINBURGH'S AWARD

Tutor i/c: Mr D Clatworthy – dofe@rgshw.com

With nearly 200 students taking part each year, DofE is at the core of RGSHW's Co-Curricular provision. Open to Year 9 upwards, participants have the opportunity to progress through all levels of the Bronze/Silver and Gold Awards, learning and developing new skills along the way. Each level of the award has four sections to complete: Volunteering, Skill, Physical and Expedition, with additional Residential section at Gold Level. Our Expeditions run at various times throughout the year and challenge students to step outside their comfort zones while undertaking a 2-5 day self-sufficient journeys be that locally in the Chilterns to more adventurous Wild Country in the Brecon Beacons or Lake District National Parks.

HANDWRITING CLUB

Tutor i/c: Mrs R Marchant, Mrs C Reed, Mrs L Leonard

The Club is open to students from all year groups who would like to improve their handwriting. Held on Monday lunchtimes, from 1.30pm to 2pm, in Room 21.

INTO FILM CLUB - Juniors

Tutor i/c: Mrs R Gilyeat

Run alongside the national Into Film Club, this activity is for anyone interested in film, wanting to broaden their film knowledge and share ideas with other moving image enthusiasts. This group will meet at a lunchtime and occasionally after school, to critique and enjoy film. Running from September 2025.

ITALIAN CLUB

Tutor i/c: Signor G Pizzuti

 Ciao ragazzi! What about learning another language and culture? The Italian Club has finally landed at RGS! Join the club every Monday Lunchtime, to learn and have some fun with games, quizzes, tasty cooking demos and much more! Whether you want to learn the best pizza recipe , know more about vespas , football  or, "most importantly" how we use gestures when we speak , this is the right place for you, regardless of whether you already have some knowledge or you have never learnt the language of the Bel Paese. Don't forget to bring your own lunch! Vi aspetto! 
Meet in L1 - Language Department.

LANGUAGES DROP-IN CLUB - Y10&11

Tutor i/c: Miss S Sheppard, Ms R Langan & Mr S Booth

Want to practise general conversation questions ahead of your speaking exam? Stuck with a particular grammar point? Then come to languages lunchtime drop-in every Wednesday first break, in L2. Sixth form language ambassadors and MFL teachers for all 3 languages will be on hand to answer questions, practise speaking and test you on vocab. You can drop in for 5 minutes or 10 minutes, or stay for the whole of break, or as long as you need. Regular practice, little and often, is what makes the difference! Start date: 17 September

MATHS BATTLES CLUB

Tutor i/c: Mr F J Butler

A Maths Battle is a competition between two teams of students, where each team presents their solutions to the opposition who challenge their answers. The idea is similar to that of a sports team, so competing regularly and training in between the competitions is expected. RGS Students compete every half term against each other and frequently compete with students from other schools. Maths Battles are run with the help of WeSolveProblems charity. The club is held on Thursdays, 3.45pm to 4.45pm.

MATHS CHALLENGE CLUB

Tutor i/c: Mr T Woolliams

Maths Challenge Club will take place on Wednesday lunchtimes in Room 36. Any students interested in solving mathematical problems and doing mathematical challenges are

welcome to attend. It gives students in all year groups from Years 7 – 11 a chance to familiarise themselves with the UKMT Maths Challenge Papers as well as the opportunity to try out some of the Maths Team Challenge games and problem-solving activities. We also run sessions on a variety of recreational Mathematical ideas and discoveries. It will be especially beneficial for those entering the UKMT Maths Challenges or Hans Woyda competitions, as well as those students attending Maths Battles. However, all abilities and ages are welcome. The Maths Challenge Club is led by the Maths Subject Ambassadors, which is a team of 7 very talented and dynamic Year 13 Mathematicians.

MATHS MENTORING

Tutors i/c: Miss S Kingsley & Mr T Maruf

Maths mentoring is open to all year groups and is a great opportunity for students to work on improving fluency with Maths skills that they find more challenging. Students will be paired with a fellow student mentor who will help guide them through a requested challenging topic. Attending Maths mentoring will help improve students' understanding of Maths, change the way they approach and think about maths topics, and also help improve their grades in Maths. Maths mentoring is also an opportunity to get help with any homework that you are struggling with. However, maths mentoring is not just for those who are having immediate difficulty in maths. Maths mentoring is additionally open to those who need to recap a topic before a test, or to consolidate extension material of recently taught topics. Maths mentoring is also a fantastic way for the mentors to improve their communicative and notational Maths abilities as they may need to provide an alternative means of explanation to students, which will improve the mentors' critical thinking skills. Students can sign up via their Maths teachers. Regular attendance is encouraged to get the most help from Sixth Form mentors.

All Maths mentoring occurs at lunchtime in the Maths block. See below for relevant dates and times:

- Maths Mentoring is every Tuesday Lunchtime in the ground floor of the Maths Block (Rooms 31, 32, 33, 34, 35 & 36).

Currently open to Year 11, but extended to all Year Groups after October Half Term;
1.25pm - 2.10pm

MATHS STEP & MAT CLUB:

Tutor i/c: Miss S Kingsley

Maths STEP Club runs every Thursday lunchtime in Room 38 in the Maths block. Maths TMUA club runs every Wednesday afternoon Periods 7 & 8 in Room 34, and is coordinated

by the Maths Subject Ambassadors. They are open to anyone in Year 12 or 13 who are interested in solving challenging Maths problems, and are recommended for those considering Maths-related degrees, and will need to take a Maths Admissions Test (MAT or TMUA) for their chosen University course. The focus is on solving and discussing questions from STEP, MAT and other entrance tests and competitions.

MEDIA TEAM

Tutor i/c **Mrs R Gilyeat**

The school Media Team is open to anyone who has an interest in recording, creating, and developing their media skills. You will be deployed to school events at various points of the year and asked to take photographs and record footage, as well as editing and uploading your material. Training will be given and senior students will mentor junior members of the group. The group meets prior to events to organise and discuss the brief. You will be more heavily involved at Sports Day and when whole school events are happening. An end of year Pizza lunch will also be provided to celebrate your work.

MEDSOC CLUB:

Tutor i/c: **Mrs D Sudhakaran, Mr L Rowe-Elliott & Mrs S Thakrar**

The Medical Society is for students in Years 12 who are interested in pursuing a career in Medicine, Veterinary Medicine, Dentistry or an allied subject. We support students in their application to Medicine, including giving help with UCAS applications, personal statements, work experience and interview practice. We have regular meetings and external speakers who come in and address the students. We are also aiming to have meetings for Year 11 students to provide an insight into the academic requirements and personal qualities for studying medicine. Meetings will take place in Biology, on Monday lunchtimes and dates will be announced during the first few weeks of September.

MUSIC ACTIVITIES

The Music Department will send out details of each ensemble/band as and when the rehearsals are ready to begin each term. Students will be contacted directly, but if any student has a specific request to join an ensemble, then they are welcome to speak to Mrs Jashari or Miss Ying.

PHILOSOPHY & ETHICS CLUB

Tutor i/c: Mr J Webb

Room 8 – Starting after October half term, Monday lunchtimes for students in all years. The purpose of the club is to give students a platform to freely debate and discuss ideas around life, death and fundamentally how we should live our lives. Students are very welcome to attend without contributing if they wish.

PRIDE GROUP

Tutor i/c: Mrs R Gilyeat, Mrs J Watson, Mr C Mulholland & Ms E Wheeler

Open to all in the LGBT+ community, those who are questioning issues of their own gender and sexuality, and their allies. This group meets weekly to provide support and advice for young people and a safe social space. Casual, open and welcoming. Regular social events are planned this year including pizza evenings, bowling, cinema trips and theatre visits. We have begun to develop links with other school communities and plan to continue to grow and strengthen these links this year. The focus is on inclusion, diversity, tolerance and kindness. We meet every Friday first break time, in Room 24.

ROWING

Tutor i/c: Mr G Staden

The RGS Boat Club is open to students from Year 8 upwards. Novice rowers begin by attending an introductory course over the Easter holiday in Year 8. Rowing training takes place on the Thames in Marlow at the Boathouse site next to Gossmore Park after school, Monday to Friday and across the day at weekends. Coaching is provided by a team of qualified and experienced coaches who deliver the programme, which is founded on [British Rowing](#)'s best practice in sculling technique. During the winter, land-based training takes place at school during the week with on-water sessions at weekends. Students compete in races locally and at national level, where we have had considerable success over the last few years. The Club values highly the support of parents, particularly through Friends of RGS Rowing, which allows us to participate in these events and to offer

rowing to students of abilities ranging from novice to aspiring international athletes. For all enquiries, please contact: Mr Staden (gas@rgshw.com).

SCIENCE CLUB

Tutor i/c: Miss A Brown

Science club is open to students in Year 7 and Year 8. Students will carry out independent investigations over the course of approximately 12 weeks working towards the Bronze CREST award. Places are limited. Location - C1, time - Monday lunch.

SPORTING ACTIVITIES

Tutors i/c: Various

There are a wide variety of other sporting activities on offer during break, lunchtime and after school, some of which are seasonal. Please refer to the Co-Curricular Schedule, issued via school comms each half term and hosted on the school website, for the most up to date information. Pupils may sign up for these activities via their [SOCS Cocurricular](#) account. If you have a query, please contact Mrs Henry (cah@rgshw.com), or Mr Crinyon (nic@rgshw.com).

STAGE LIGHTING AND SOUND CLUB

Tutor i/c: Mrs N Jashari

Open to a limited number of students from Year 9 upwards. Activities occur whenever there is a need and students must apply to join.

STEM RACING CLUB (previously F1 in Schools).

Tutor i/c: Mr G Roberts

This is a fast-paced engineering and design challenge where students create and race miniature cars powered by compressed air. Working in teams, students use CAD, 3D printing and precision manufacturing to develop their designs, before testing them on the race track. The programme builds key STEM skills alongside teamwork, problem-solving, branding and presentation, with opportunities to compete in regional and national competitions. Participation also supports pathways into engineering and other design and technology careers.

Sessions are held Tuesday lunchtime in the Design & Technology workshops. Open to all students in Years 8, 9 & 10.

TABLE-TOP ROLE-PLAYING GAMES CLUB

Tutor i/c: Mr H David

Open to all students. TTRPGs such as Dungeons & Dragons are interactive experiences that use improvisational storytelling. Players assume the roles of heroes, undergoing an adventure; the direction of the story is also randomised by using dice to show the outcome of certain choices or actions adding depth to the story as a whole. Beginners Welcome – with no pressure to take part.

Currently there are groups for Yrs 8-11, who meet in Room 9, as follows:

Year 8 – Thursday lunch

Year 9 – Wednesday & Friday lunch

Year 10 – Thursday lunch

Year 11 – Friday after school

Year 7s looking to start a campaign in school are welcome and should speak to Mr.David for more information.

WARHAMMER CLUB

Tutor i/c Mr A McDonald-Smith

Unleash your strategic genius and artistic flair with the RGS Warhammer Club! Open to all year groups, we're a thriving community where you can dive into epic fantasy battles, or command futuristic armies with collectable miniatures. This hobby isn't just about games; it's a brilliant way to build confidence, develop fine motor skills, and forge lasting friendships.

Bring your own models to our sessions, ready to build, paint, or battle against your mates! Whether you're a seasoned veteran, or completely new to the world of Warhammer, our club is the perfect place to hone your skills and connect with fellow enthusiasts.

Beyond our regular meet-ups, we try to host an annual painting competition and, when possible, organise a trip to Warhammer World, the global headquarters of Games Workshop!

Ready to join the ranks? We meet every Tuesday after school in B3.
