Information for Candidates

FROM THE HEADMASTER

Thank you for your interest in RGS, High Wycombe – a selective day and boarding school for 1375 boys.

With its origins in the 13th Century, the Royal Grammar School, High Wycombe, was granted a Royal Charter by Queen Elizabeth I in 1562. Much has changed since, but RGS continues to enjoy a reputation as one of the leading state selective schools in the country having been consistently rated 'outstanding'.

I feel very privileged to lead RGS, a school offering an outstanding all-round education for able boys aged 11–18 years. We have high academic standards, excellent examination results and consistently feature as one of the top 60 state schools in England. Almost all students progress to university with 18–20 attending Oxford or Cambridge each academic year. We offer a huge range of co-curricular experiences, the extent of which, I believe, unparalleled in the state sector. This is achieved due to the commitment of staff and we expect our colleagues to play their part.

We are seeking to appoint innovative teachers who will deliver a high quality classroom experience underpinned by our RGS Ethos of Learning. We pride ourselves on exceptional pastoral care which ensures that, in a large school, every boy is known as an individual.

We encourage all Wycombiensians to be self-confident, positive, healthy and inquiring young men acquiring the qualities of tolerance and respectfulness embodied through a modesty of manner. This is, in part, achieved by the role models that our staff become.

Most of our students are day boys. Boarding, however, has a unique capacity to shape the lives of young people and RGS offers this provision to 70 boys as one of 40 state boarding schools. Full, weekly and day boarding is on offer and plays a significant role within the life of the School.

Above all, we seek to give our boys the tools to be the inspirational leaders of tomorrow as they embark on careers of distinction, influence and service.

I am delighted that you are considering joining us.

Best wishes

Philip Wayne

Departmental Information

The Royal Grammar School is looking for a well-qualified teacher to join this large, successful and thriving department.

The department has developed a deserved reputation within the school and within our family of schools for innovation, expertise, support and excellent teaching. The RGS has a reputation for excellence in all areas of school life with high standards expected from pupils at all times.

The mathematics department has a strong sense of identity with eleven colleagues teaching full or part time and working as a cohesive team. The subject leader is supported by three assistant subject leaders. There are courses to GCSE, additional mathematics and A level (single and double subject). The course followed for A levels is that of the Edexcel Modular Syllabus. Well over 100 boys study mathematics to A level each year of which about 40 are entries for further mathematics. Of the substantial number of boys going to Oxford and Cambridge, each year many have mathematics as part of their entry and several will study mathematics as their main subject.

Years 7 and 8 are taught in form groups. Setting begins in Year 9, with extra resources given to the boys who find the subject more difficult. All boys are entered for GCSE mathematics and are expected to achieve grade 4 or better, with the majority gaining grade 8 and 9. All candidates are currently entered for the AQA (8300) higher tier.

In the sixth form, there are eight sets in Year 12 – two following a course to maths and further maths and six sets of varying ability aiming for A level. All A level students follow courses in pure maths and applied mathematics.

Boys are encouraged to enter for mathematics competitions. Boys from each year group take part in the UKMT Maths Challenges, where all boys from Years 7 and 8 enter the JMC, and around 200 enter the IMC of which around 70 boys go on to take part in the Mathematical Olympiads and Kangaroos. Each year we field a strong team in the Hans Woyda Mathematics Competition, as well as the UKMT Maths Team challenges, and our team came 3rd in this year's regional final of the STMC.

Boys are also encouraged to attend a weekly maths challenge club where they can access higher level problem skills. The mathematics department runs a weekly 'maths circles/battles' in partnership with Brunel University and offers an excellent support programme, with weekly maths mentoring for KS3 and 4, as well as revision and masterclasses for KS5.

There are nine specialist classrooms, a large office and a resource storage area. All classrooms have data projectors, whiteboards or interactive whiteboards. All members of staff have their own laptop and iPad, supplied by the school, for school use. In addition, the boys in Year 8 – 11 use iPads in school.

Compared with other local schools, the teaching timetable for each member of staff reflects the expectation that all staff will contribute outside their teaching commitments to help with co-curricular activities.

Recent mathematics trip to Japan

We were delighted with the huge success of last year's inaugural maths and culture trip to Japan during the February half term, which highlighted the interest and passion that our students and staff have for the subject. This trip proved to be so popular that there is another trip running in 2020 with nearly 70 students enlisted to go on the trip.

Royal Grammar School

Core Values

1. **Passion for Learning** – staff are passionate about their subject which can powerfully affect boys. Boys learn it is OK to work hard, to go beyond the expected and to be driven by their passion
2. **Co-curricular** – the benefit for boys is obvious. Staff also benefit from being given a breadth of opportunity outside their subject area. This helps to attract and retain staff
3. **Collective Effort** – the School achieves its goals as a result of collective effort. A successful member of staff at the RGS contributes to the overall breadth of school life beyond core responsibilities
4. **Empowerment** – for boys it allows them to become independent learners in a safe environment. For staff it allows them to try things, to take personal responsibility for the way they approach their subject. This, in turn, can attract and retain staff
5. **Support** – not just academic and support staff but also sixth formers who provide role models for younger boys. Parents and boys, in general, want to support what RGS stands for because they have chosen the School
6. **Going Beyond Expectations** – we achieve and go beyond government targets and expectations. It is not all about exam results. Staff encourage boys to go beyond the core curriculum in line with the ‘Ethos of Learning’
7. **Inclusive of All** – regardless of background (race, colour, religion, “character”) all boys are valued and can flourish
8. **Common Room** – is not just a physical hub for staff but also an area of support and social activity
9. **Respectful, Rounded Students** - who are courteous and polite with strong inter-personal skills
10. **Challenging and High Expectations** – nurturing the boys’ competitive spirit
11. **Traditional (values) but Innovative** – celebrate the traditional but not stuck in the past
12. **Self-Assurance and Confidence** – with a modesty of manner

Royal Grammar School

General Information

This is general information for all who apply for a post at RGS. Some of it will not be relevant to this post, but I trust that you will find it useful in forming a picture of the School.

Teaching at RGS

There are approximately 90 teachers at the Royal Grammar School. RGS teachers are hardworking, gifted professionals who are able to inspire pupils with their enthusiasm and subject knowledge. They are committed to providing high-quality teaching as well as playing a full and purposeful role in the School's extensive co-curricular programme.

Our teachers are specialists in their subjects and most have postgraduate teaching certificates. Those arriving without a PGCE are encouraged and supported to gain such a qualification soon after appointment. Continuing professional development is strongly-encouraged and the School has good links with local universities, teaching schools and industry. We are associated with the Astra Alliance Initial Teacher Training programme, offering 'on the job' training in certain subjects, some with bursaries. Further details on request.

The School also follows the Buckinghamshire induction programme for Newly Qualified Teachers, led by the professional tutor. We have a healthy balance of staff, from NQTs to very experienced teachers, as well as a wide spread across the age range. This mix of experience and background provides for a happy, stimulating and rewarding environment. The staff common room, in School House, is a busy and vibrant place.

Opportunities at RGS

As a teacher at RGS, you will also be expected to contribute in some way to the School's extensive co-curricular life. You will be encouraged to use your personal strengths and interests, and may even wish to become qualified in areas previously unimagined. Sport, music and drama are significant strengths as is the Combined Cadet Force and the Duke of Edinburgh scheme. The vast array of clubs and societies take place each week and RGS members of staff are rich in experience and expertise, which helps to maximise the wealth of activities on offer to our boys. The vast amount of world-wide travel involved in our expeditions, sports and musical tours and subject based visits provides an unparalleled opportunity for both staff and students to broaden their horizons.

Perhaps most importantly, you will join our strong pastoral team as a form tutor which gives all staff the opportunity to get to know a group of boys well and outside your teaching subject.

Support staff at RGS

Support staff at RGS provide a vital role in ensuring that the School not only runs smoothly but continues to develop. Whether joining one of the administration teams, being a technician, a support assistant, gap student, and working on the finances or around the extensive school estate, RGS welcomes colleagues from all backgrounds to bring an added dimension to our staff body. A range of roles exists from part time, term time only to full time and support staff have excellent opportunities to contribute towards school life. Although we do not ask our support staff to undertake teaching roles, we warmly encourage participate in school trips and co-curricular activities as identified above.

Facilities at RGS

- All-weather sports facilities.
- Rolling programme of classroom and laboratory refurbishment into 'state of the art' learning spaces
- Purpose-built language and music suites.
- The Rennie Mathematics Building with extensive, modern facilities
- Purpose-built Fraser Youens Boarding House for 70 boarders [Boarding video](#)

We are fortunate in having all our teaching facilities and games fields on a single estate, and all academic departments are housed in their own separate areas with specialist equipment and technical support where appropriate.

Computers are in extensive use throughout the school, and all teachers are given the use of a laptop and an iPad with appropriate training, supported by an effective wifi system.

Sports facilities, which have recently been upgraded, include 33 acres of playing fields, a 25 metre indoor heated Swimming Pool, Cricket nets, Eton Fives courts, a modern Fitness Suite, Sports Hall and Cricket Pavilion. The most recent acquisitions are a brand new, floodlit all-weather surface and a new rugby pitch.

Accommodation

The governors are able to offer low-cost accommodation on the school estate. We have around eight teachers living on site, some of whom joined us as NQTs and are therefore able to help and encourage new entrants to the profession and 'away from home' teachers. This house is just two minutes' walk from the RGS and ten minutes' walk to the mainline railway station.

Salary and benefits at RGS

Teachers' and leadership salary scales broadly follow the National Pay and Conditions, fully reflecting qualifications, responsibility, experience and performance. The School participates in the Teachers' Pension Scheme. Support staff are paid on the RGS scales which are closely related to the locally negotiated Buckinghamshire County Council pay range. For the benefit of support staff the School participates in the Local Government Pension Scheme. Staff at RGS can participate in the Cycle to Work, childcare voucher and phone/tech schemes. In addition, there are staff discounts on Microsoft products and computer hardware via our suppliers. All staff are entitled to free membership of the School's Fitness Suite. We are a mutually supportive team and endeavour to ensure that all staff have a healthy work / life balance.

Common Room at RGS

The Common Room exists as a formally constituted body of the teaching and support staff within the School. The committee consists of a Chairman, Treasurer and Secretary. The Common Room provides a cohesive, stimulating and enjoyable environment and a variety of social functions are organised throughout the year.

The Common Room is well equipped and includes tea and coffee making facilities, provided free of charge to all staff, a lounge, kitchen area and staff shower rooms. The Common Room subscribes to a range of national and local newspapers and journals. On a day-to-day basis, the Common Room acts as an important facility for staff to meet socially, collect mail and circulars, share information with others and relax!

Appointment

The Royal Grammar School is committed to safeguarding and promoting the welfare of its pupils and expects all staff and volunteers to share this commitment. All appointments are subject to:

- the obtaining of an enhanced DBS clearance;
- confirmation of your eligibility to work in the UK;
- view of original degree and teaching certificates;
- receipt of two satisfactory references.

The School is an equal opportunities employer and a non-smoking establishment.

High Wycombe

The Royal Grammar School is about one mile from the centre of High Wycombe which has a large shopping centre, several out-of-town shopping areas, a theatre, two multiplex cinemas, new sports centre with a 50m competition pool and a large Waitrose. High Wycombe is 25 minutes from London Marylebone on a fast train, the station being 10 minutes' walk from the school. The town is well served by cultural and sporting activities.

There is little housing in the town itself though within a short distance the suburbs, with a range of housing stock, commence in all directions. High Wycombe is surrounded by attractive villages which offer a range of housing from idyllic cottages to large detached properties in the countryside. The town of Marlow, an attractive riverside market town, is a few minutes' drive and Oxford is easily reached via the M40 or the new railway link. Buckinghamshire is renowned for its schools with a range of excellent state primary schools, prep schools, grammar schools and non-selective secondary schools.

Results

Our results speak for themselves. We do not, however, rest on our laurels and set ourselves ambitious targets.

- GCSE A*/A 70 %
- A Level A*/B 78 %
- 70 % of boys attend Russell Group universities with 15-18 going to Oxford or Cambridge most years

Our vision for RGS

- For RGS to become a world-class school in all respects
- To be the boys' school of choice in south Buckinghamshire where young men are nurtured to become the inspirational leaders of tomorrow.

Our commitment to your development

Staff at RGS are dynamic, talented and innovative. We have an excellent reputation in preparing colleagues for the next stages of their career whether as teachers or support staff. We pride ourselves in attracting and retaining staff of the highest quality, supported by outstanding provision of professional development.

It is difficult to encapsulate the spirit of RGS in words, but suffice it to say that all who work here regard it as a very special school indeed. Alongside a commitment to excellence is the sense of belonging to an exceptionally friendly community, where there is always genuine support for colleagues. To see the full range of activities undertaken at the school, we would encourage you to visit our website (www.rgshw.com).
