Information for Candidates

FROM THE HEADMASTER

RGS is an exceptional place. We have a vision to be seen as world class in offering those most naturally able the best that a state funded school can offer. We have a proud tradition, dating back to the 13th Century of educating young men.

We have high academic standards, excellent examination results and consistently feature amongst the top state schools in England. Almost all students progress to good universities including approximately 15 to Oxford and Cambridge, other stellar institutions and to the USA.

Our broad and balanced curriculum is not the full story and we look far beyond its confines with a vast array of co-curricular opportunities unparalleled, I believe, in the state sector.

Our innovative teachers deliver a high-quality classroom experience combined with exceptional pastoral care. We ensure that, in this large school, every boy is known as an individual.

We encourage all Wycombiensiens to be self-confident, positive, healthy and enquiring young men who acquire the qualities of tolerance and respectfulness embodied through a modesty of manner. The result is a happy, close-knit community where we enjoy each other's company, and friendships for life are formed.

Most of our students are day boys. Boarding, however, has a unique capacity to shape the lives of young people and RGS offers this provision to 70 boys. Full and weekly boarding is on offer and pays a substantial role within the life of the school.

You will very much enjoy working with the boys here who are courteous, committed, caring and entertaining. The commitment and dedication of staff who all work towards achieving our vision are the vital component in ensuring the success of RGS. We are looking for well-qualified and enthusiastic colleagues to join us who are passionate about their subject and responsibility, and are willing to go the extra mile to be a part of our exciting journey.

I hope that you find the information of use and look forward to receiving your application if you feel that this opportunity would suit what you have to offer. Thank you for your interest in RGS.

I am delighted that you are considering joining us.

Best wishes

Philip Wayne

Departmental Information

Junior Rowing Coach

Background

The RGS is an outstanding boys' grammar school in High Wycombe. The school caters for boys aged 11-18 and has an outstanding reputation both academically and for sport. We are looking for to appoint a part-time Junior Rowing Coach. The post will be available from September 2019.

RGS High Wycombe Boat Club is based on the water at Longridge Activity Centre, Marlow, which provides a 5km stretch of water for training between Marlow and Cookham; the boys also have access to facilities at the school for land training. Rowing is a popular co-curricular activity at the school but is not a curriculum sport. Training takes place after school and at weekends.

There has been a rowing club at the school for more than 65 years, but the club was revitalised by the involvement an Old Wycombiensian and Commonwealth Gold Medallist who ran the club with the support of volunteer parent coaches for 12 years. Since 2016, the club has been led by a paid part-time coaching team.

The school club, although small for many years, has medalled at the Scullery, National Schools Regatta and British Junior Rowing Championships. The school has twice represented GB in the annual GB vs France match: a J16 Quad in 2014 and a J16 double in 2016. Several boys have been selected for further training following the Junior GB trials. Two old boys of the school have rowed in Oxford Isis boats.

The school annually runs a successful Easter Learn to Row course for J13s. In the last five years, the course has attracted a significant number of boys as a result of the club's successes. This year we expect around 40 boys to sign up for the Learn to Row group. At present the club consists of around 60 boys. The majority of the senior boys have been sculling since they were J13s.

The club has three coxless quads, four coxed quads, five doubles and five singles. Some older boys have private singles for their own use. In the autumn and early spring term, the rowing club use the school gym for land training; where the club has fourteen ergos. The boys also use the weights in the gym supervised by the school strength and conditioning team.

The club is actively supported by a "Friends of Rowing" group who fundraise for the club and support the boys providing practical help with boat maintenance, trailer towing and transport to events. The club is funded through parental donations.

Teaching at RGS

There are approximately 90 teachers at the Royal Grammar School. RGS teachers are hardworking, gifted professionals who are able to inspire pupils with their enthusiasm and subject knowledge. They are committed to providing high-quality teaching as well as playing a full and purposeful role in the School's extensive co-curricular programme.

Those arriving without a PGCE are encouraged and supported to gain such a qualification soon after appointment. Continuing professional development is strongly-encouraged and the School has good links with local universities, teaching schools and industry. We are associated with the Astra Alliance Initial Teacher Training programme, offering 'on the job' training in certain subjects, some with bursaries. Further details on request.

The School also follows the Buckinghamshire induction programme for Newly Qualified Teachers, led by the professional tutor. Support staff at RGS

Support staff at RGS provide a vital role in ensuring that the School not only runs smoothly but continues to develop. Whether joining one of the administration teams, being a technician, a support assistant, gap student, and working on the finances or around the extensive school estate, RGS welcomes colleagues from all backgrounds to bring an added dimension to our staff body. A range of roles exists from part time, term time only to full time and support staff have excellent opportunities to contribute towards school life. Although we do not ask our support staff to undertake teaching roles, we warmly encourage participate in school trips and co-curricular activities as identified above.

Sports facilities, which have recently been upgraded, include 33 acres of playing fields, a 25 metre indoor heated Swimming Pool, Cricket nets, Eton Fives courts, a modern Fitness Suite, Sports Hall and Cricket Pavilion. The Common Room provides a cohesive, stimulating and enjoyable environment and a variety of social functions are organised throughout the year.

The Royal Grammar School is about one mile from the centre of High Wycombe which has a large shopping centre, several out-of-town shopping areas, a theatre, two multiplex cinemas, new sports centre with a 50m competition pool and a large Waitrose. High Wycombe is 25 minutes from London Marylebone on a fast train, the station being 10 minutes' walk from the school. The town is well served by cultural and sporting activities.

There is little housing in the town itself though within a short distance the suburbs, with a range of housing stock, commence in all directions. High Wycombe is surrounded by attractive villages which offer a range of housing from idyllic cottages to large detached properties in the countryside. The town of Marlow, an attractive riverside market town, is a few minutes' drive and Oxford is easily reached via the M40 or the new railway link. Buckinghamshire is renowned for its schools with a range of excellent state primary schools, prep schools, grammar schools and non-selective secondary schools.

Results

Our results speak for themselves. We do not, however, rest on our laurels and set ourselves ambitious targets.

- GCSE 9-7: 72 %
- A Level 9-7: 73 %
- 70 % of boys attend Russell Group universities with approximately 15 going to Oxford or Cambridge most years

Our vision for RGS

- For RGS to become a world-class school in all respects
- To be the boys' school of choice in south Buckinghamshire where young men are nurtured to become the inspirational leaders of tomorrow.
