## Information for Candidates

## FROM THE HEADMASTER

RGS is an exceptional place. We have a vision to be seen as world class in offering those most naturally able the best that a state funded school can offer. We have a proud tradition, dating back to the 13<sup>th</sup> Century of educating young men.

We have high academic standards, excellent examination results and consistently feature amongst the top state schools in England. Almost all students progress to good universities including approximately 15 – 18 to Oxford and Cambridge, other stellar institutions and to the USA.

Our broad and balanced curriculum is not the full story and we look far beyond its confines with a vast array of co-curricular opportunities unparalleled, I believe, in the state sector.

Our innovative teachers deliver a high-quality classroom experience combined with exceptional pastoral care. We ensure that, in this large school, every boy is known as an individual.

We encourage all Wycombiensiens to be self-confident, positive, healthy and enquiring young men who acquire the qualities of tolerance and respectfulness embodied through a modesty of manner. The result is a happy, close-knit community where we enjoy each other's company, and friendships for life are formed.

Most of our students are day boys. Boarding, however, has a unique capacity to shape the lives of young people and RGS offers this provision to 70 boys. Full and weekly boarding is on offer and pays a substantial role within the life of the school.

You will very much enjoy working with the boys here who are courteous, committed, caring and entertaining. The commitment and dedication of staff who all work towards achieving our vision are the vital component in ensuring the success of RGS. We are looking for well-qualified and enthusiastic colleagues to join us who are passionate about their subject and responsibility, and are willing to go the extra mile to be a part of our exciting journey.

I hope that you find the information of use and look forward to receiving your application if you feel that this opportunity would suit what you have to offer. Thank you for your interest in RGS.

I am delighted that you are considering joining us.

Best wishes

Philip Wayne

## Departmental Information

The Royal Grammar School is looking for an enthusiastic part-teacher of Design Technology (DT) to join its busy, thriving department. The department comprises two full-time DT teachers, a specialist technician and also a part-time teacher of Cookery. The department is well equipped with two specialist resistant material workshops that house wood lathes, pillar drills, scroll saws and a wide range of hand-tools. To supplement these further, there is also a third workshop that houses a laser cutter, two center lathes, an oxy-acetylene brazing hearth and casting / foundry area.

DT is a popular subject, introduced from the start of Year 7 and subsequently taught throughout KS3. Take-up at KS4 is strong with approximately 50 students continuing at GCSE, while 12 to 16 students continue with the subject at A Level. At GCSE we follow the AQA Design Technology (metals, timbers and polymers / code: 8552) course and at A Level, the DT: Product Design (code: 7552) course. The department enjoys strong academic performance, with GCSE results averaging 85 % 7-9 and A Level results of 100 % A\*-B over the past five years. Much of this is due to the immense work-ethic and enthusiasm of our students, coupled with the dedication and commitment of our close-nit team. A number of our students subsequently study various careers within engineering at university and those, who make frequent return visits, regularly praise DT for its relevance and rigor in preparing them for later study.

## Career Development at RGS

**Iain Wilson, Deputy Head**

**School attended:** Aylesbury Grammar School (1996 - 2002)

**University:** University of Sheffield (BSc Neuroscience)

### Career

I joined RGS in 2021 as Deputy Headmaster. Having been educated at Aylesbury Grammar School, I could be described as a Bucks boy through and through. In fact, the only time I have ventured further afield both academically and professionally was to the University of Sheffield where I studied Neuroscience and began my teacher training. It wasn't long before I returned "down south" starting my teaching career at Dr Challoner's Grammar School and subsequently an Assistant Headship at the Royal Latin School in Buckingham; as such I have become all too familiar with the A413! As Deputy Headmaster I oversee the day-to-day running of the school. I am very early on in my tenure, but it is a real privilege to be in this position working with so many inspirational teachers and students.

### RGS

I am incredibly proud to say that I work at the RGS. It's hard not to be instantly struck by the sense of community at the school. There is a significant amount of pride that permeates through every vein of the school with a strong sense of tradition. As a keen sportsman, I really value the importance of physical activity on mental health and wellbeing and this provision at RGS combined with the extensive co-curricular provision was a major factor that drew me here. Everyone including students, parents, governors and staff want RGS to be the best possible place. You would be hard pressed to find a state school that has over 60 staff supporting a co-curricular programme on top of the impressive sport support; over 400 students being actively involved in DoFE is testament to this and supports the character development of the students. This is a truly committed staff! We are currently at a very exciting time where tradition is meeting innovation and the next 5 years in particular are going to be great for anyone to be a part of!

**James Eve, English, Assistant Head**

**School attended:** Ipswich School (1981-1992)

**University:** University of St Andrews (undergraduate MA), University of York (postgraduate MA)

**Career so far at RGS:** I joined as an Assistant Head in September 2016 from Magdalen College School and was promoted to Director of Studies in 2021. I've absolutely loved my time at RGS. Right from the start, I felt welcomed and support by the staff, who all have a great 'can do' attitude, and the boys are bright and sparky and a joy to teach in the classroom. As an English teacher, I often find myself challenged to think about the texts I teach in new ways by discussions in class. I've also enjoyed being part of the rich co-curricular life of the school. Over the past five years, I've taken charge of the Fencing team, been involved with the Cross-Country squad and started a new school newspaper.

**What I love about RGS, apart from the boys!** The strong sense of community that binds together boys, staff and parents. This continues long after the boys leave. I've lost count of the number of former pupils who have returned for social or sporting events, or have demonstrated the clearest expression of faith and fondness for their alma mater by sending their own sons to the school.

This is general information for all who apply for a post at RGS. Some of it will not be relevant to this post, but I trust that you will find it useful in forming a picture of the School.

### Teaching at RGS

There are approximately 90 teachers at the Royal Grammar School. RGS teachers are hardworking, gifted professionals who are able to inspire pupils with their enthusiasm and subject knowledge. They are committed to providing high quality teaching as well as playing a full and purposeful role in the School's extensive co-curricular programme.

Our teachers are specialists in their subjects and most have postgraduate teaching certificates. Those arriving without a PGCE are encouraged and supported to gain such a qualification soon after appointment. Continuing professional development is strongly encouraged and the School has good links with local universities, teaching schools and industry. We are associated with the Astra Alliance Initial Teacher Training programme, offering 'on the job' training in certain subjects, some with bursaries. Further details on request.

The School also follows the Best Practice Network ECF Programme for Early Career Teachers, led by the induction tutor. We have a healthy balance of staff, from ECTs to very experienced teachers, as well as a wide spread across the age range. This mix of experience and background provides for a happy, stimulating and rewarding environment. The staff common room, in School House, is a busy and vibrant place.

### Opportunities at RGS

As a teacher at RGS, you will also be expected to contribute in some way to the School's extensive co-curricular life. You will be encouraged to use your personal strengths and interests, and may even wish to become qualified in areas previously unimagined. Sport, music and drama are significant strengths as is the Combined Cadet Force and the Duke of Edinburgh scheme. The vast array of clubs and societies take place each week and RGS members of staff are rich in experience and expertise, which helps to maximise the wealth of activities on offer to our boys. The vast amount of worldwide travel involved in our expeditions, sports and musical tours and subject-based visits provides an unparalleled opportunity for both staff and students to broaden their horizons.

Perhaps most importantly, you will join our strong pastoral team as a form tutor, which gives all staff the opportunity to get to know a group of boys well and outside your teaching subject.

### Support staff at RGS

Support staff at RGS provide a vital role in ensuring that the School not only runs smoothly but continues to develop. Whether joining one of the administration teams, being a technician, a support assistant, gap student, and working on the finances or around the extensive school estate, RGS welcomes colleagues from all backgrounds to bring an added dimension to our staff body. A range of roles exists from part time, term time only to full time and support staff have excellent opportunities to contribute towards school life. Although we do not ask our support staff to undertake teaching roles, we warmly encourage participation in school trips and co-curricular activities as identified above.

### Facilities at RGS

- All-weather sports facilities.
- Rolling programme of classroom and laboratory refurbishment into 'state of the art' learning spaces
- Purpose-built language and music suites.
- The Rennie Mathematics Building with extensive, modern facilities
- Purpose-built Fraser Youens Boarding House for 70 boarders [Boarding video](#)

We are fortunate in having all our teaching facilities and games fields on a single estate, and all academic departments are housed in their own separate areas with specialist equipment and technical support where appropriate.

Computers are in extensive use throughout the school, and all teachers are given the use of a laptop and an iPad with appropriate training, supported by an effective wifi system.

Sports facilities include 33 acres of playing fields, a 25-metre indoor heated Swimming Pool, Cricket nets, Eton Fives courts, a modern Fitness Suite, Sports Hall with sprung floor and a Cricket Pavilion. Recent acquisitions are a floodlit all-weather surface, a new rugby pitch and an extension to the gym.

### Accommodation

The governors are able to offer low-cost single accommodation on the school estate. We have around eight teachers living on site, some of whom joined us as NQTs and are therefore able to help and encourage new entrants to the profession and 'away from home' teachers. This house is just two minutes' walk from the RGS and ten minutes' walk to the mainline railway station.

### Salary, benefits and wellbeing at RGS

Teachers' and leadership salary scales broadly follow the National Scales, fully reflecting qualifications, responsibility, experience and performance. The School participates in the Teachers' Pension Scheme. Support staff are paid on the RGS scales, which are closely related to the locally negotiated Buckinghamshire Council pay range. For the benefit of support staff, the School participates in the Local Government Pension Scheme. We are a mutually supportive team and endeavour to ensure that all staff have a healthy work / life balance.

The Common Room provides a cohesive, stimulating and enjoyable environment and a variety of social functions are organised throughout the year.

The Common Room is well equipped and includes tea and coffee making facilities, provided free of charge to all staff, a lounge, kitchen area and staff shower rooms. The Common Room subscribes to a range of national and local newspapers and journals. On a day-to-day basis, the Common Room acts as an important facility for staff to meet socially, collect mail and circulars, share information with others and relax!

### Appointment

The Royal Grammar School is committed to safeguarding and promoting the welfare of its pupils and expects all staff and volunteers to share this commitment. All appointments are subject to:

## Equal Opportunities

The Royal Grammar School is committed to equal opportunities for all its students and staff, irrespective of race, colour or nationality, gender, marital status, family circumstances, religion, sexual orientation, age or disability. There will be no discrimination on these grounds, or for any other reasons which cannot be shown to be justified. Students applying for admission to the school and candidates for posts at the school will be treated according to school policies on admission and recruitment and with regard to British and European legislation. Attention will be paid to the importance of equal opportunities education in both the formal and informal curriculum and our curriculum will be reviewed at frequent intervals to ensure that this policy is reflected in practice. The Headmaster is responsible to the Governors for monitoring this policy. The school operates an Equality Cohesion Policy.

## Our vision for RGS

- For RGS to offer the best all-round education in a UK state school

## Our commitment to your development

Staff at RGS are dynamic, talented and innovative. We have an excellent reputation in preparing colleagues for the next stages of their career whether as teachers or support staff. We pride ourselves in attracting and retaining staff of the highest quality, supported by outstanding provision of professional development. It is difficult to encapsulate the spirit of RGS in words, but suffice it to say that all who work here regard it as a very special school indeed. Alongside a commitment to excellence is the sense of belonging to an exceptionally friendly community, where there is always genuine support for colleagues. To see the full range of activities undertaken at the school, we would encourage you to visit our website ([www.rgshw.com](http://www.rgshw.com)).

## High Wycombe

The Royal Grammar School is about one mile from the centre of High Wycombe, which has a large shopping centre, several out-of-town shopping areas, a theatre, two multiplex cinemas, new sports centre with a 50m competition pool and a large Waitrose. High Wycombe is 25 minutes from London Marylebone on a fast train, the station being 10 minutes' walk from the school. The town is well-served by cultural and sporting activities.

There is little housing in the town itself though within a short distance the suburbs, with a range of housing stock, commence in all directions. High Wycombe is surrounded by attractive villages, which offer a range of housing from idyllic cottages to large detached properties in the countryside. The town of Marlow, an attractive riverside market town, is a few minutes' drive and Oxford is easily reached via the M40 or by train. Buckinghamshire is renowned for its schools with a range of excellent state primary schools, prep schools, grammar schools and non-selective secondary schools.

**How to find us:** Amersham Road, High Wycombe, HP13 6TQ

**By road:** If travelling from the M40, leave at Junction 4. Follow signs for A404. RGS is situated at a set of traffic lights on the left-hand side at the top of the Amersham Hill.
