## Information for Candidates

## FROM THE HEADMASTER

RGS is an exceptional place. We have a vision to be seen as world class in offering those most naturally able the best that a state funded school can offer. We have a proud tradition, dating back to the 13<sup>th</sup> Century of educating young men.

We have high academic standards, excellent examination results and consistently feature amongst the top state schools in England. Almost all students progress to good universities including approximately 15 – 18 to Oxford and Cambridge, other stellar institutions and to the USA.

Our broad and balanced curriculum is not the full story and we look far beyond its confines with a vast array of co-curricular opportunities unparalleled, I believe, in the state sector.

Our innovative teachers deliver a high-quality classroom experience combined with exceptional pastoral care. We ensure that, in this large school, every boy is known as an individual.

We encourage all Wycombiensiens to be self-confident, positive, healthy and enquiring young men who acquire the qualities of tolerance and respectfulness embodied through a modesty of manner. The result is a happy, close-knit community where we enjoy each other's company, and friendships for life are formed.

Most of our students are day boys. Boarding, however, has a unique capacity to shape the lives of young people and RGS offers this provision to 70 boys. Full and weekly boarding is on offer and pays a substantial role within the life of the school.

You will very much enjoy working with the boys here who are courteous, committed, caring and entertaining. The commitment and dedication of staff who all work towards achieving our vision are the vital component in ensuring the success of RGS. We are looking for well-qualified and enthusiastic colleagues to join us who are passionate about their subject and responsibility, and are willing to go the extra mile to be a part of our exciting journey.

I hope that you find the information of use and look forward to receiving your application if you feel that this opportunity would suit what you have to offer. Thank you for your interest in RGS.

I am delighted that you are considering joining us.

Best wishes

Philip Wayne

## Departmental Information

We are looking for an academically strong and enthusiastic teacher to join the Biology Department. High standards pervade all aspects of the school's life, and the students' passion for and commitment to biology is particularly evident from their enthusiasm and motivation. The students are easily inspired to take their learning further and welcome challenging activities. We are keen to appoint someone to our team who has a desire to make a difference, to embrace opportunity. The ability to teach A level Biology is essential.

The Biology Department occupies its own purpose-built biology block where four well-resourced laboratories are used for the delivery of the subject. A highly skilled and cheerfully co-operative technician maintains and prepares equipment for demonstration and class experiment use. The teaching staff are welcoming, the atmosphere relaxed and positive.

The Schemes of Learning are stored and shared electronically, together with a wide range of learning and assessment resources which can be provided for class use on paper or via electronic means, many of which were written by current department members to match the particular learning styles of our pupils. Sharing of resources across the department is actively promoted. The department is playing a key role in developing the school's Intranet, and is at the forefront of the school's initiative in the use of iPads to enhance and personalise learning.

The department has a reputation for academic excellence. The three sciences are taught as separate subjects throughout the School. Nearly all boys in Year 11 sit single subject Edexcel Biology GCSE. Scores in the British Biology Olympiad are among the best within the maintained sector, students win medals yearly in these competitions. A large proportion of the department's Sixth Form go on to Biology related undergraduate courses including Oxford and Cambridge.

Typically 70+ students sign on for A level biology in Year 12. There is a very active Medical Society that meets to discuss ethical and biological issues. There are regular speakers that are invited to discuss topical issues and UCAS applications. We particularly enjoy having Old Wycombiensians back to talk to current pupils.

## Career Development at RGS

**Alex Wallace, Geography, Deputy Head**

**School attended:** West Buckland School

**University:** Birmingham University and Bath University

**Career so far at RGS:** I joined the school in 2007 as second in the Geography Department. I enjoyed being involved in designing schemes of work and taking responsibility for a Key Stage. I was then appointed to Head of Year 10 and 11. This was an incredibly rewarding role; I enjoyed leading a team of tutors and was passionate about my Year Group having the best possible experience at RGS. The challenges that this role gave me, prepared me well for my Assistant Headteacher position. My main responsibility was, and continues to be, Teaching and Learning. The change in role meant I spend more time with our incredible staff. The Senior Team often provide the steer in terms of Teaching and Learning but I love seeing the different styles and approaches which are encouraged to flourish, which inspire our boys on a daily basis. As Deputy Headmaster I oversee the day-to-day running of the school, I love the role. I am very early on in my tenure, but it is a real privilege to be in this position working with inspirational teachers and students.

**What I love about RGS, apart from the boys!** The fact it allows me to love coming to work. I am incredibly proud to say I work at the RGS. The students are very special; they are inspiring, creative, challenging and most importantly fun! I would also suggest exactly the same applies to the staff! There is a real community at the RGS, you notice this in lessons, assemblies, staff badminton, staff football and especially the staff brewery evenings. More than anything, I enjoy the friendly and approachable nature of all staff. There are always people to ask for guidance and support in any circumstance. Everyone including boys, parents, governors and staff want RGS to be the best possible place. What other state school would have 21 members of staff giving up most Saturdays to take a rugby side? This is a truly committed staff and I can't imagine working anywhere else.

**Marieke Forster, Biology, Assistant Head**

**School attended:** Wycombe High School

**University:** Imperial College, London

**Career so far at RGS:** I joined the RGS in 2007, having previously worked in industry. I am delighted to be able to teach my chosen subject in such an academic and rewarding environment. Amongst other areas, I have responsibility for the developing House System and ever changing Digital Strategy, as well as the very important Co-Curricular aspects of life at the RGS; arguably the elements that set us apart from other schools.

**What I love about RGS, apart from the boys!** The established culture of mutual respect and friendliness; everyone says good morning, colleagues and boys are very supportive of each other, and I genuinely love coming to work in the morning.

## General Information

This is general information for all who apply for a post at RGS. Some of it will not be relevant to this post, but I trust that you will find it useful in forming a picture of the School.

### Teaching at RGS

There are approximately 90 teachers at the Royal Grammar School. RGS teachers are hardworking, gifted professionals who are able to inspire pupils with their enthusiasm and subject knowledge. They are committed to providing high quality teaching as well as playing a full and purposeful role in the School's extensive co-curricular programme.

Our teachers are specialists in their subjects and most have postgraduate teaching certificates. Those arriving without a PGCE are encouraged and supported to gain such a qualification soon after appointment. Continuing professional development is strongly encouraged and the School has good links with local universities, teaching schools and industry. We are associated with the Astra Alliance Initial Teacher Training programme, offering 'on the job' training in certain subjects, some with bursaries. Further details on request.

The School also follows the Astra Alliance induction programme for Newly Qualified Teachers, led by the professional tutor. We have a healthy balance of staff, from NQTs to very experienced teachers, as well as a wide spread across the age range. This mix of experience and background provides for a happy, stimulating and rewarding environment. The staff common room, in School House, is a busy and vibrant place.

### Opportunities at RGS

As a teacher at RGS, you will also be expected to contribute in some way to the School's extensive co-curricular life. You will be encouraged to use your personal strengths and interests, and may even wish to become qualified in areas previously unimagined. Sport, music and drama are significant strengths as is the Combined Cadet Force and the Duke of Edinburgh scheme. The vast array of clubs and societies take place each week and RGS members of staff are rich in experience and expertise, which helps to maximise the wealth of activities on offer to our boys. The vast amount of worldwide travel involved in our expeditions, sports and musical tours and subject-based visits provides an unparalleled opportunity for both staff and students to broaden their horizons.

Perhaps most importantly, you will join our strong pastoral team as a form tutor, which gives all staff the opportunity to get to know a group of boys well and outside your teaching subject.

### Support staff at RGS

Support staff at RGS provide a vital role in ensuring that the School not only runs smoothly but continues to develop. Whether joining one of the administration teams, being a technician, a support assistant, gap student, and working on the finances or around the extensive school estate, RGS welcomes colleagues from all backgrounds to bring an added dimension to our staff body. A range of roles exists from part time, term time only to full time and support staff have excellent opportunities to contribute towards school life. Although we do not ask our support staff to undertake teaching roles, we warmly encourage participate in school trips and co-curricular activities as identified above.

### Facilities at RGS

- All-weather sports facilities.
- Rolling programme of classroom and laboratory refurbishment into 'state of the art' learning spaces
- Purpose-built language and music suites.
- The Rennie Mathematics Building with extensive, modern facilities
- Purpose-built Fraser Youens Boarding House for 70 boarders [Boarding video](#)

We are fortunate in having all our teaching facilities and games fields on a single estate, and all academic departments are housed in their own separate areas with specialist equipment and technical support where appropriate.

Computers are in extensive use throughout the school, and all teachers are given the use of a laptop and an iPad with appropriate training, supported by an effective wifi system.

Sports facilities, which have recently been upgraded, include 33 acres of playing fields, a 25 metre indoor heated Swimming Pool, Cricket nets, Eton Fives courts, a modern Fitness Suite, Sports Hall and Cricket Pavilion. The most recent acquisitions are a brand new, floodlit all-weather surface and a new rugby pitch.

### Accommodation

The governors are able to offer low-cost accommodation on the school estate. We have around eight teachers living on site, some of whom joined us as NQTs and are therefore able to help and encourage new entrants to the profession and 'away from home' teachers. This house is just two minutes' walk from the RGS and ten minutes' walk to the mainline railway station.

### Salary and benefits at RGS

Teachers' and leadership salary scales broadly follow the National Pay and Conditions, fully reflecting qualifications, responsibility, experience and performance. The School participates in the Teachers' Pension Scheme. Support staff are paid on the RGS scales, which are closely related to the locally negotiated Buckinghamshire County Council pay range. For the benefit of support staff, the School participates in the Local Government Pension Scheme. We are a mutually supportive team and endeavour to ensure that all staff have a healthy work / life balance.

We offer:

- Cycle to work scheme
- Childcare voucher scheme
- Free membership of the School's Fitness Suite
- Free use of the swimming pool
- Tax efficient purchases of gadgets through the tech scheme
- Staff common room with free tea & coffee
- On site hot and cold food
- Social functions/concerts/plays etc
- Car parking onsite

### Common Room at RGS

The Common Room exists as a formally constituted body of the teaching and support staff within the School. The committee consists of a Chairman, Treasurer and Secretary. The Common Room provides a cohesive, stimulating and enjoyable environment and a variety of social functions are organised throughout the year.

The Common Room is well equipped and includes tea and coffee making facilities, provided free of charge to all staff, a lounge, kitchen area and staff shower rooms. The Common Room subscribes to a range of national and local newspapers and journals. On a day-to-day basis, the Common Room acts as an important facility for staff to meet socially, collect mail and circulars, share information with others and relax!

### Appointment

The Royal Grammar School is committed to safeguarding and promoting the welfare of its pupils and expects all staff and volunteers to share this commitment. All appointments are subject to:

- the obtaining of an enhanced DBS clearance;
- confirmation of your eligibility to work in the UK;
- view of original degree and teaching certificates; and
- receipt of two satisfactory references.

The School is an equal opportunities employer and a non-smoking establishment.

## High Wycombe

The Royal Grammar School is about one mile from the centre of High Wycombe, which has a large shopping centre, several out-of-town shopping areas, a theatre, two multiplex cinemas, new sports centre with a 50m competition pool and a large Waitrose. High Wycombe is 25 minutes from London Marylebone on a fast train, the station being 10 minutes' walk from the school. The town is well-served by cultural and sporting activities.

There is little housing in the town itself though within a short distance the suburbs, with a range of housing stock, commence in all directions. High Wycombe is surrounded by attractive villages, which offer a range of housing from idyllic cottages to large detached properties in the countryside. The town of Marlow, an attractive riverside market town, is a few minutes' drive and Oxford is easily reached via the M40 or the new railway link. Buckinghamshire is renowned for its schools with a range of excellent state primary schools, prep schools, grammar schools and non-selective secondary schools.

## Results

Our results speak for themselves. We do not, however, rest on our laurels and set ourselves ambitious targets.

- GCSE 9-7: 72 %
- A Level 9-7: 73 %
- 70 % of boys attend Russell Group universities with approximately 15-18 going to Oxford or Cambridge most years

## Our vision for RGS

- For RGS to become a world-class school in all respects
- To be the boys' school of choice in south Buckinghamshire where young men are nurtured to become the inspirational leaders of tomorrow.

## Our commitment to your development

Staff at RGS are dynamic, talented and innovative. We have an excellent reputation in preparing colleagues for the next stages of their career whether as teachers or support staff. We pride ourselves in attracting and retaining staff of the highest quality, supported by outstanding provision of professional development.

It is difficult to encapsulate the spirit of RGS in words, but suffice it to say that all who work here regard it as a very special school indeed. Alongside a commitment to excellence is the sense of belonging to an exceptionally friendly community, where there is always genuine support for colleagues. To see the full range of activities undertaken at the school, we would encourage you to visit our website ([www.rgshw.com](http://www.rgshw.com)).
