Information for Candidates

FROM THE HEADMASTER

RGS is an exceptional place. We have a vision to be seen as world class in offering those most naturally able the best that a state funded school can offer. We have a proud tradition, dating back to the 13th Century of educating young men.

We have high academic standards, excellent examination results and consistently feature amongst the top state schools in England. Almost all students progress to good universities including approximately 15 to Oxford and Cambridge, other stellar institutions and to the USA.

Our broad and balanced curriculum is not the full story and we look far beyond its confines with a vast array of co-curricular opportunities unparalleled, I believe, in the state sector.

Our innovative teachers deliver a high-quality classroom experience combined with exceptional pastoral care. We ensure that, in this large school, every boy is known as an individual.

We encourage all Wycombiensiens to be self-confident, positive, healthy and enquiring young men who acquire the qualities of tolerance and respectfulness embodied through a modesty of manner. The result is a happy, close-knit community where we enjoy each other's company, and friendships for life are formed.

Most of our students are day boys. Boarding, however, has a unique capacity to shape the lives of young people and RGS offers this provision to 70 boys. Full and weekly boarding is on offer and pays a substantial role within the life of the school.

You will very much enjoy working with the boys here who are courteous, committed, caring and entertaining. The commitment and dedication of staff who all work towards achieving our vision are the vital component in ensuring the success of RGS. We are looking for well-qualified and enthusiastic colleagues to join us who are passionate about their subject and responsibility, and are willing to go the extra mile to be a part of our exciting journey.

I hope that you find the information of use and look forward to receiving your application if you feel that this opportunity would suit what you have to offer. Thank you for your interest in RGS.

I am delighted that you are considering joining us.

Best wishes

Philip Wayne

Departmental Information

Junior Rowing Coach

Background

The RGS is an outstanding boys' grammar school in High Wycombe. The school caters for boys aged 11-18 and has an outstanding reputation both academically and for sport. We are looking for to appoint one or more part-time Junior Rowing Coaches.

The successful applicant can start as soon as the process is complete or at the latest at the start of the Autumn term.

RGS High Wycombe Boat Club is based on the water at Longridge Activity Centre, Marlow, which provides a 5km stretch of water for training between Marlow and Cookham; the boys also have access to facilities at the school for land training. Rowing is a popular co-curricular activity at the school but is not a curriculum sport. Training takes place after school and at weekends. There has been a rowing club at the school for more than 65 years. Since 2016, the club has been led by a paid part-time coaching team and has trebled in size.

The school club, although small for many years, has medalled at the Scullery, National Schools Regatta and British Junior Rowing Championships. The school has twice represented GB in the annual GB vs France match: a J16 Quad in 2014 and a J16 double in 2016. Several boys have been selected for further training following the Junior GB trials. Two old boys of the school have rowed in Oxford Isis boats. Annually, we put forward our exceptional J16 and Seniors for the GB programme.

The school annually runs a successful Easter Learn to Row course for J13s. In the last five years, the course has attracted a significant number of boys as a result of the club's successes. This year over 45 boys have signed up for the Learn to Row group. In 2022/23 the club consist of 30 J14s, 23 J15s, 20 J16s and 14 J17J18s. The majority of the senior boys have been sculling since they were J13s.

The club has four coxless quads, five coxed quads, five doubles and seven singles as well as four launches. In the autumn and early spring term, the rowing club has a training space at the school for land training; the club has twenty-five ergs. The boys also use the school gym for strength and conditioning sessions.
