

10 October 2022

Dear Parent / Guardian

Silver and Gold Duke of Edinburgh's Awards Years 10-13, 2022-2023

Experiential learning serves as a foundation for personal and group discovery as well as the development of character. Learning outside the classroom provides an educational environment for students that allows them to have the opportunity to express individual talent and explore new approaches to challenges. By challenging students to nurture creativity, imagination, and exploration, we allow classroom concepts to become real and relevant through experience. Education in its broadest sense is not just about delivering a curriculum. It is about giving students at RGS the chance to expand their life skills and about the enjoyment and excitement of venturing out into the real world.

I apologise in advance for the length and detail of this letter. I want to ensure we are as clear and informative as possible to aid in what we hope will be many of your sons' participation in the programme.

The following should give you a great insight to why it is such a memorable and fun programme:

DofE Information Sessions - 26th October, 8th and 24th November, 6th and 15th December

A virtual session run directly by DofE for parents, designed to help you understand how best to support a young person through their DofE Award. For further information, see the attached pdf, and to join a meeting, click [here](#).

The Duke of Edinburgh's Award.

DofE is the world's leading achievement award for young people, and is highly regarded by universities, colleges and employers. It encourages young people to develop independence, commitment, leadership and teamwork through being involved in a personalised programme of activities.

It will inspire your son to make a difference to the local community, learn new skills, become fitter through sport and expeditions and increase his confidence. The School fully supports the Award, recognizing its unique value for developing skills and attributes in RGS.

Completing the Award

The Award is achieved by completing a personal programme of activities in four sections. These sections are:

- **Volunteering** - helping someone, your community or the environment
- **Physical** - becoming fitter through sport, dance or fitness activities
- **Skills** - developing existing talents or trying something new
- **Expedition** – planning/training/completing an adventurous journey (this section is organised by the School)
- **Residential** – for those undertaking their GOLD award this is an additional section outside Volunteering, Skills, Physical and Expedition. We advise that you check with the School before booking your Residential section to ensure it meets the DofE criteria. A 'residential' for Gold DofE means a programme that spends 5 days and 4 nights away from home on a shared activity with people that you have never met before.

Your residential can have any focus or include any activities that you wish; a guide can be found [here](#).

You can find information here on how long it takes to complete the programme and the amount of time that needs to be given to any one specific section (**DofE Timescales**). On average it is a minimum of **6 months** to complete Silver and **12 months** for Gold (18 months if you sign up without completing Silver first). Your son must be 15 years old to sign up for Silver and 16 years for Gold.

NB. The length of time taken for all the Awards is stated in months. Please note a student must show **regular** activity and commitment during this time of **at least an hour a week**. He cannot achieve an Award in a short burst of enthusiasm over one weekend! Finally, all DofE activities **must** be completed by his 25th birthday.

*Please note the final cost will be decided at the end of the Autumn term once we know exactly how many boys are signed up for each level. However, the above figures should give you a rough indication.

Kit

Please refer to the **DofE Essential Kit List**. Full details of what group kit will be supplied and what kit you must supply yourselves will be issued by the end of the autumn term. A limited supply of kit will be available on loan, at no cost, from the RGS DofE stores.

How to apply

1. Log into Parent Pay **before Tuesday 4th November**, look up either “DofE Silver 2022/23” or “DofE Gold 2022/23” and pay the Enrolment fee. **NB: If you are unable to pay online, please contact the Finance Office to pay by an alternative method.**
2. On receipt of the enrolment fee, we will process your son’s application and he will receive an automated email to his RGS email address containing his eDofE login details. *(Please note that no refunds are available after 7th November should your son chose to withdraw from the programme)*
3. Your son can start any of his activities immediately. **It is essential that all activities are selected from the approved DofE Programme Ideas List.** If an activity is listed under Physical, it cannot be used for Skills and vice versa. If you or your son are unsure about an activity he has selected, please contact DofE@rgshw.com as soon as possible for clarification.
4. Welcome packs will be sent to you directly from DofE once you complete your eDofE registration, however, you can access Digital Welcome Packs [here](#).

I wish your son every success with the Award, but in the meantime if you or your son require any more information, please do not hesitate to contact me or Mrs Turney on dofe@rgshw.com.

Yours sincerely

D Clatworthy *FRGS*
