HOUSE MUSIC COMPETITION 2022

We are delighted to confirm that this year's House Music Competition will be streamed live at **7pm** on **Tuesday 8 March** from our school's [Vimeo channel](#) .

After the pre-recorded competition segment (released from 7pm), there will be a short interval before the **live results show at 8.30pm on Teams.**

Please feel free to have cameras on, preferably representing your House in suitable colours or screen backgrounds, but be on mute once you have joined to help the meeting run smoothly. Do share this meeting link with any other people interested in finding out who has won the House Music Competition!

Each House's presentation will be adjudicated by Mr Lewis Edney BMus, Director of Music at Bishop Wordsworth's School in Salisbury, whom some of you will recognise from our joint choral evensong in Oxford last September.

We have seen extraordinary amounts of work put in by the students and can't wait to see you online next Tuesday!

Best wishes

Mr Francis Mullaly
Director of Music
