Dear Year 11 Parents and Students

It is far from the ideal end to Year 11 we were hoping for when you embarked on your GCSE journey a few years ago. We are so sorry this is the case. What has remained consistent is your attitude and approach despite the significant challenges you, your staff and parents have faced over the last year or so. We are now in a position to share the plans for the end of your time in Year 11. We hope this helps you with your summer planning.

**Dates for your diary:**

|                |  |
|----------------|--|
| 15-24 March    | March Assessments  |
| 23 April       | Year 11 Summary Report (confirmation of grades from March Assessments) |
| 17-18 May      | Study Leave to prepare for the May Assessments                         |
| 19-25 May      | May Assessments  |
| 26 May onwards | Year 11 not required in school – online A Level preparation programme  |

The online A Level preparation programme is a 4-week programme for Year 11 students. It allows students to look in greater detail at the A levels they have requested and been allocated and lays the groundwork for the return to school in September. The programme is self-contained and will also be open to new applicants to the School. We feel it is the perfect bridge into Sixth Form study. Further information about the programme will be issued nearer the time.

With kind regards

Hilary Munday  
Assistant Head
