Dear Parents and Carers,

National Careers Week

This week is National Careers Week. National Careers Week is a celebration of careers guidance and free resources in education across the UK. The aim is to provide a focus for careers guidance activity at an important stage in the academic calendar to help support young people.

Please find attached a Parents' Guide to National Careers Week 2022 which provides parents and carers with the information they need to help their children make the right choices to create successful futures after GCSE and sixth form. If your son has any questions regarding his next steps, please encourage him to come to the Careers Department and see us.

Kind regards,

Mrs Azad and Mrs Booth (The Careers Department)
