

The Royal Grammar School Parents' Association

Turn everyday online shopping into donations for RGS

Help us raise **FREE** funds for our boys every time you shop online with [Amazon Smile](#) and [easyfundraising](#).

How does it work?

You shop online and RGS receives donations. Participating shops donate an average of 1.5% of each sale directly to RGS. Amazon donates 0.5%. **If 1000 parents at RGS spent £500 online each year we could raise between £25-£50k annually** - more than enough to reach our fundraising goals!

What is the money used for?

Every year the RGS Parents' Association raises money for such recent projects as refurbishing the Science Block, upgrading IT equipment and the creation of an outdoor eating facility. This year we have a target to refurbish the AV equipment in the Queen's Hall, as well as supporting many other initiatives. All proceeds go directly to the School to support our boys.

How do I get started?

Just click on the images below, or any of the links, for [Amazon Smile](#) and [easyfundraising](#), and follow the instructions. The links are already set-up for RGS. You'll be raising funds within minutes! **If you use the Amazon mobile app please read the important details below.**

Can I use the Amazon mobile app?

Yes, but you need to set this up in the app itself. Open the app and select 'Settings' in the main menu (☰). Then tap on 'AmazonSmile' and follow the on-screen instructions to turn on AmazonSmile on your phone. You can then add '**Wycombe Royal Grammar School Foundation**' as your chosen charity. Please note that this is not yet enabled for tablets.

Please help RGS by turning your everyday shopping into **FREE** donations with [easyfundraising](#) and [Amazon Smile](#)!

Shops waiting to donate to The Royal Grammar School include: John Lewis, Ebay, M&S, Argos, Sainsbury's, ASOS and many more!
