Dear Parents

### **LOCKER CONTENTS FROM LAST YEAR**

All property was removed from lockers during lockdown at the end of the Summer term and the majority returned to students; however, we still have some unclaimed items. Please would you check your son's locker number from last year against the list below. If listed, he may collect his items from the Director of Sport's office during second lunch on Tuesdays and Thursdays until Tuesday 8 December, after which time uncollected items will be donated to a local charity.
