

25/5/22

Dear Parents and Guardians,

World Challenge Morocco - an opportunity to view our recorded parents' presentation

Thank you to those parents, guardians and students who attended our inspiring presentation from World Challenge this week. I have had a number of excited students contact me for more information! If you were unable to attend, but your son is interested in the expedition, we do have a recording of the event, which can be accessed via the link below.

There is also a wealth of information on the [RGS trip webpage](#) here.

About World Challenge Morocco 2023

This is a life-changing opportunity for students in the current Year 7 and 8 cohorts to explore Morocco with expert guides next Easter 2023, while developing their life skills, confidence and independence. We're partnering with World Challenge to offer this 10-night trip, which complements school learning.

The sign-up code for the trip is ex86vpa. Applications are now open, so please [visit our trip webpage](#) for the sign-up link, itinerary, travel dates, Covid-secure booking terms and trip cost. Examples of how past students have earned the trip cost themselves were covered in the above recording, with further details on the trip website. For this expedition, there are a maximum of 42 places available in total and sign up is open until Tuesday 7th June.

This is a fantastic opportunity for our students to learn some valuable skills and gain an understanding of the world around us, while having fun with their friends.

If you have any questions please contact me on fhc@rgshw.com.

With best wishes,

Mrs Chandler
World Challenge Lead
Teacher of Geography
