

## Seasoned Split Logs for Sale

The RGSHW Log Project continues! As part of the ecology for the School and the policy of the Estates Team, for every tree cut down another tree will be replanted. To help with the cost of this work and to try and raise some much-needed funds for equipment, any timber that is suitable for burning will be cut and split by the Grounds Department team and seasoned ready for sale. All the logs have come from trees that have been felled for health and safety and maintenance reasons.

If you would like to grab yourself some seasoned split logs, please contact:

- Sue Osborn, Estates Manager [sao@rgshw.com](mailto:sao@rgshw.com)
- Howard Yendall, Head Groundsman [hmy@rgshw.com](mailto:hmy@rgshw.com)

Prices are as follows:

- 20kg bags      £20
- Half size bulk bags (will fit easily in an average size car boot)      £45

Please make all payments via Parent Pay.

All money raised will go to the Grounds Department for replanting projects and machinery used for tree work.

Thank you.
