Gillman & Soame – School Photographs

In September last year, Gillman & Soame took School photographs for us. Since then, some parents who have not registered with Gillman & Soame have enquired about how to purchase their photographs. If you still have the email we sent you about registration with Gillman & Soame, please follow the link contained in that email. Don't forget that if you have more than one child you will need to register separately for each of your children. If you have already registered with Gillman & Soame and/or purchased photographs, please disregard this message.

Alternatively, and only if you are unable to find the email we sent to you in September, Gillman & Soame have kindly supplied us with a link whereby you can contact them to let them know that you'd like to see your photographs. In order to register an interest in your child's photographs, please follow this link, or copy and paste it into a browser:

Please note: this method is subject to data confirmation so there will be a short delay before you are able to view your photographs.
