

30 March 2021

Dear Year 11 and Year 13 Students (and Parents for Information)

YEAR 11/13 FINAL ASSESSMENTS TIMETABLE

Please see below the timetables for your May (Year 11) / May/June (Year 13) Assessments.

I have not yet attached the length of each exam as we are awaiting final information from Ofqual and JCQ which may or may not affect this.

I will republish the timetable after the Easter holidays with length of exam included but I thought you would like to have the session information now.

Kind regards

Miss Munday
Assistant Head
