Dear Parents/Guardians,

Morrisby Online Profiling at home

One of the toughest challenges that students face is to know which pathways they would find fulfilling and what potential they have. As part of their progression post-16 or post-18, we are offering the Morrisby Online Profiling facility to students in Years 10,11, 12 and 13.

Morrisby Online is a guidance tool that helps students to identify potential progression paths and make informed decisions about their study options. Participating students will take an online assessment **at home** which measures a variety of elements including career interests, work attitudes, talents and motivations. Once the assessment is complete, students will have access to personally tailored career and education suggestions, plus a wealth of careers-related resources. The cost of the testing is £30 per student which would need to be paid directly to Morrisby. More information can be found on their website www.morrisby.com.

Once participating students have completed their assessment, they are encouraged to make an appointment to come and discuss the results with their Careers Department at school. Whilst the report and data belong to the student, it is important that all students understand that relevant members of school staff will also have access to the results. This is so that the full range of support can be offered and maximum value to the student can be derived from the process.

How to sign up for the test

Please click on this link <https://newapp.morrisby.com/morrisby-pay?passedCode=p95K44> which will be valid for use until Sunday 18th April 2021.

Upon payment, an email will be sent to the purchaser giving them a username and password for their child which can be used immediately. Once they have these details the student will need to go to www.morrisby.com and 'Log in' in the top right-hand corner of the screen using their username and password to get access to the initial screen they need to complete prior to taking the assessments. From here they will be guided through the process. The Morrisby Profile does not need to be taken at any particular time and does not need to be completed in one session. Please find more information about the Morrisby Profile and how to complete the assessment at home in the attachment accompanying this letter.

If you have any further questions, please do not hesitate to contact us.
