

November 2020

Dear Parents

Fundraise as you shop

I trust you and your families are keeping well during these strange times. You may be thinking about starting your Christmas shopping on-line during Lockdown 2.

I just wanted to remind you about our easyfundraising page where you can raise much needed funds for School whilst shopping. As you can imagine, without fundraising in school at the moment, budgets are very tight and anything you can do to help would be very much appreciated.

Please log on to our "[Fundraising](#)" [page of the website](#) before you shop on-line; it only takes a couple of minutes to register "Royal Grammar School High Wycombe" as your cause but every time you shop on-line, you can be raising money for school.

Simply click on the icon above, register and start shopping, it is as easy as that!

Thank you so much.

Kind regards

Tanya Warner
