Dear Parents and Students,

House Music Competition 29 April 2021

We are thrilled to invite you to join us for this year's House Music Competition.

Unsurprisingly, we have had to change things drastically in order to stay safe and compliant with current Covid restrictions, but that hasn't stopped all six houses and a number of dedicated students helping impartially on tech to bring a fantastic hour of music for you this Thursday evening.

The timing of events on Thursday evening will be as follows:

7pm	Presentation goes live – see links below for access.
8.10pm	<i>Short interval</i>
8.30pm	Live teams meeting Results Show for judging and trophy presentation

Each House has prepared a varied set, including small classical ensembles, pop and rock bands, sea shanties and much more!

[Here is a link](#) to the teaser trailer to whet your appetite ahead of Thursday:

Further information & links regarding Thursday's House Music Competition, 7pm Presentation and the 8.30pm Teams Meeting Results Show, will follow on Thursday's parent comms.

Best wishes,

Francis Mullaly
